

# V-TAC BUNGEE SLING - VIKING TACTICS VTAC BUNGEE SLING-COYOTE

[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

The Viking Tactics, Inc. Light Weight Bungee Sling (VTAC-BGS) gives the operator a lightweight alternative to the standard sling. With the addition of shoulder bungee material, the VTAC Bungee Sling allows the shooter to maintain an extremely tight sling while still being able to get in and out of shooting positions. The bungee portion of the sling will help keep the primary weight of the weapon tight against your body, allowing you to quickly transition to your pistol should the need arise. Consistent with the capability of all VTAC sling designs, the VTAC Bungee Sling allows you to quickly adjust the length of your sling as your tactical situation changes.

# VTAC Bungee Sling Safety Instructions

## Introduction

Thank you for choosing the VTAC Bungee Sling from Viking Tactics, Inc. This lightweight bungee sling is designed to provide you with a tactical advantage while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the sling is suitable for your weapon type before use.
- Always inspect the sling for any signs of wear or damage before each use.
- Keep the sling away from children and vulnerable individuals.
- Use the sling only as intended; do not modify or alter it in any way.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure that the sling is adjusted correctly to fit your body and weapon securely.
- **Avoid Entanglement:** Be mindful of your surroundings to prevent the sling from becoming entangled in objects or other individuals.
- **Maintain Control:** Always maintain control of your weapon while using the sling to avoid accidental discharge.
- **Transitioning:** Practice transitioning from the sling to your pistol in a safe environment to ensure quick and effective movement if needed.
- **Use in Suitable Conditions:** Avoid using the sling in extreme weather conditions that may affect your grip or control.

## Instructions for Installation and Usage

### 1. Installation:

- Locate the attachment points on your weapon.
- Securely attach the sling to the designated points, ensuring that it is fastened tightly.
- Adjust the sling to the desired length using the quickadjust features.

### 2. Usage:

- Place the sling over your shoulder, ensuring it is comfortable and allows for easy access to your weapon.
- Adjust the bungee portion of the sling to maintain tension while allowing for movement.
- Practice using the sling in a safe environment to become familiar with its functionality.

## Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the sling in regular household waste if it can be recycled.

## Contact Information for Further Support

For any questions or concerns regarding the VTAC Bungee Sling, please reach out to the appropriate support

channels as indicated on the product packaging or documentation.
