Safety Instruction Guide for ALUMINUM BACKPLATE BLACK ANODIZED

Introduction

Thank you for choosing the ZEV Technologies™ Stylized Aluminum Rear Back Plate for your Glock® slide. This guide provides essential safety instructions to ensure the safe use and installation of the product. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is compatible with your specific Glock® model (17, 22, 23, 34, 35, 26, 27).
- Inspect the product for any visible damage or defects before installation.
- Keep the product out of reach of children to prevent accidental misuse.
- Always follow local laws and regulations when using firearm accessories.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the backplate if it shows signs of wear or damage.
- Ensure that your firearm is unloaded before installing or removing the backplate.
- Avoid using excessive force during installation to prevent damage to the backplate or the firearm.
- Only use the product as intended; misuse may lead to malfunction or injury.
- Wear appropriate safety gear (e.g., eye protection) when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock® is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

2. Installation Steps:

- Remove the existing backplate from your Glock® slide.
- Align the ZEV Technologies backplate with the slide.
- Gently press the backplate into place until it clicks securely.
- Check that the backplate is firmly attached and does not move.

3. Usage:

- Use your firearm in accordance with all safety protocols and local laws.
- Regularly inspect the backplate for any signs of wear or damage during routine maintenance.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste if it contains materials that may be hazardous.
- Consider recycling options if available.

Contact Information for Further Support

For any inquiries or support regarding the product, please refer to the manufacturer's website or customer support channels.

By following these safety instructions, you can ensure a safe and effective experience with your ZEV Technologies™ Stylized Aluminum Rear Back Plate. Thank you for your attention to safety.
