

MASTER HUNTER DIE SETS - REDDING 7MM REM MAG HUNTER DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Master Hunter series combines Redding's proven Competition Seating Die with a full-length sizing die that lets the hunter load exceptionally consistent ammo to minimize risk of a stuck case or failure to feed that can hinder taking a follow up shot. Full-length sizing also enables use of any SAAMI-standard brand of case without having to resort to bushing sizer die. The result is precise bullet/case neck alignment and finely-tuned bullet seating that lets hunters achieve the utmost performance from their favorite loads.

Master Hunter Die Sets Safety Instruction Guide

Introduction

Thank you for choosing the Master Hunter Die Sets Redding 7mm Rem Mag Hunter Die Set. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this manual thoroughly before using the product to understand the potential hazards and how to avoid them.

General Safety Guidelines

- Ensure that you are familiar with the basic principles of reloading ammunition before using this product.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Keep the workspace clean and organized to prevent accidents and ensure efficient operation.
- Store all reloading components, including dies, in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your equipment for signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading and usage.

Specific Safety Precautions for Use

- Use only the appropriate cartridges and components specified for the Master Hunter Die Sets.
- Never exceed the recommended load specifications provided by the manufacturer.
- Always doublecheck measurements and settings before proceeding with reloading.
- Avoid distractions while reloading to maintain focus and accuracy.
- In case of a malfunction or unexpected behavior of the die set, stop using it immediately and consult a professional.

Instructions for Installation and Usage

1. Installation of the Die Set

- Carefully unpack the die set and inspect for any damage.
- Follow the manufacturer's instructions for mounting the dies onto your reloading press.
- Ensure that the dies are securely tightened to prevent movement during operation.

2. Using the FullLength Sizing Die

- Insert the case into the sizing die and operate the reloading press to size the case.
- Check the case length and ensure it meets the specifications for your chosen cartridge.
- Repeat the sizing process for each case you intend to reload.

3. Using the Competition Seating Die

- Adjust the seating die according to the bullet specifications.
- Place the bullet into the case mouth and operate the press to seat the bullet to the desired depth.
- Verify the overall length of the loaded round with a caliper to ensure it meets your requirements.

4. Final Inspection

- After reloading, visually inspect each round for proper seating and overall quality.
- Store the completed ammunition in a safe and secure manner.

Disposal Instructions

- Dispose of any damaged or unusable components according to local regulations.
- Do not throw away ammunition or reloading components in regular trash; follow hazardous waste disposal guidelines.
- Properly recycle any metal components whenever possible.

Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the appropriate channels for support. Ensure that you have the product information ready for efficient assistance.

Thank you for prioritizing safety while using the Master Hunter Die Sets. By following these guidelines, you can enjoy a safe and effective reloading experience.
