

TSR-W SUPER LOW PICATINNY/WEAVER RINGS - TPS PRODUCTS

TSR-W SUPER LOW STEEL RINGS 34MM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR-W SL (Super-Low) Series Rings. Providing an extremely low mounting solution for those special applications. Precisely machined with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases. Height measured from top of base to center of ring.

TSRW SUPER LOW PICATINNY/WEAVER RINGS

Safety Instruction Guide

Introduction

Thank you for choosing the TSRW SUPER LOW PICATINNY/WEAVER RINGS by TPS PRODUCTS. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the rings by following all instructions and guidelines provided in this document.
- **Enhanced Recalls:** Be aware that if any safety issues are identified with this product, recall notices will be issued. Stay informed about any recalls through the appropriate channels.
- **Online Shopping:** If you purchased this product online, ensure that the platform complies with safety regulations similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used by or around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU-based contact provided by the manufacturer.
- **Rapid Alerts:** Stay updated on any unsafe product notifications through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Use in Intended Applications:** Only use the scope rings for their intended purpose. Ensure compatibility with your scope and firearm.
- **Inspect Before Use:** Always inspect the rings for any signs of damage or wear before installation.
- **Proper Torque Settings:** Follow the recommended torque settings when securing the rings to avoid damage or failure during use.
- **Avoid Overtightening:** Overtightening can lead to damage of the scope or the rings. Use a torque wrench if available.
- **Check for Secure Fit:** After installation, ensure that the scope is securely held in place and does not move during handling or use.
- **Store Properly:** When not in use, store the rings in a cool, dry place, away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Ensure your firearm is unloaded and pointed in a safe direction during installation.

2. Installation:

- Place the rings on the Picatinny or Weaver base, ensuring they are aligned correctly.
- Insert the screws into the rings and handtighten them initially.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque settings.
- Check that the scope is properly aligned and adjust as necessary.

3. Usage:

- Regularly check the tightness of the rings during use, especially after firing.
- If you notice any movement or loosening, stop use immediately and retighten the screws.

Disposal Instructions

- Dispose of the product in accordance with local regulations. Do not dispose of in general waste.
- If the rings are damaged or no longer usable, consider recycling materials where possible.

Contact Information for Further Support

For any additional questions or concerns regarding the TSRW SUPER LOW PICATINNY/WEAVER RINGS, please refer to the manufacturer's contact information included with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your TSRW SUPER LOW PICATINNY/WEAVER RINGS. Thank you for your attention to safety.
