

TSR-W SUPER LOW PICATINNY/WEAVER RINGS - TPS PRODUCTS

TSR-W SUPER LOW STEEL RINGS 35MM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR-W SL (Super-Low) Series Rings. Providing an extremely low mounting solution for those special applications. Precisely machined with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases. Height measured from top of base to center of ring.

TSRW SUPER LOW PICATINNY/WEAVER RINGS

Safety Instruction Guide

Introduction

Thank you for choosing the TSRW SUPER LOW PICATINNY/WEAVER RINGS from TPS PRODUCTS. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your scope rings. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used for its intended purpose only.
- Always follow the manufacturer's instructions for installation and maintenance.
- Regularly inspect the scope rings for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any accidents or unsafe experiences, report them to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Inspect the scope rings before each use to ensure they are in good condition.
- Ensure that the scope is securely mounted to prevent movement during use.
- Avoid overtightening the screws, as this may damage the scope or rings.
- Do not use the product if it shows signs of damage or wear.
- When adjusting the scope, ensure that it is stable and securely held in place.
- Always handle the product with care to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a torque wrench.
- Ensure you have a clean workspace free of debris.

2. Installation Steps:

- Place the base of the scope rings onto the Picatinny or Weaver rail.
- Align the rings to ensure proper positioning for your scope.
- Using the provided screws, secure the rings to the base.
- Tighten the screws gradually, alternating between sides to ensure even pressure.
- Use a torque wrench to tighten the screws to the manufacturer's recommended torque specifications.

3. Usage:

- Once installed, place your scope into the rings.
- Adjust the scope to align the reticle as needed.
- Tighten the cap screws carefully, starting with the left side, then the right side, to prevent rotation of the scope.

4. Maintenance:

- Regularly check the tightness of the screws and the condition of the rings.

- Clean the scope rings with a soft, dry cloth to remove dust and debris.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

Contact Information for Further Support

For further support or inquiries regarding safety, please refer to the manufacturer's contact information provided on the packaging or product documentation. It is important to have an EU-based contact for any safety-related questions.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your shooting experience with the TSRW SUPER LOW PICATINNY/WEAVER RINGS!
