

# TSR-W PICATINNY/WEAVER SCOPE RINGS - TPS PRODUCTS TSR-W ALUMINUM RINGS 35MM LOW

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Scope Rings](#)

TSR "W" Series Rings, precisely machined from an alloy steel billet, with tolerances held to .0002", give maximum scope/ring contact. Holds scope securely against recoil. Four-screw cap lets you align the reticle, tighten the left side of the cap, then the right side without the scope rotating. Radiused edges and corners help prevent snagging while providing attractive appearance. Large, clamp-nut lets you torque rings to Weaver-style or Mil-STD 1913 (Picatinny) bases.

## Attributes

- Name: [TPS PRODUCTS TSR-W ALUMINUM RINGS 35MM LOW](#)
- Manufacturer: [TPS PRODUCTS](#)
- Product no.: 100020427
- Mfr. No.: 30895
- Finish: -
- Height: 1.025"
- Material: -
- Scope Tube Diameter: 35mm
- Size: Low
- Style: -
- Delivery weight: 0.145kg
- Shipping height: 57mm
- Shipping width: 57mm
- Shipping length: 91mm
- UPC: 071611308953

# TSRW Picatinny/Weaver Scope Rings Safety Instruction Guide

## Introduction

Thank you for choosing the TSRW Picatinny/Weaver Scope Rings by TPS Products. These scope rings are designed to securely hold your scope in place, providing stability and accuracy during use. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure that the scope rings are compatible with your scope and firearm.
- Regularly inspect the scope rings for wear or damage before each use.
- Ensure that the scope is properly aligned and securely fastened to prevent movement during use.
- Keep the scope rings and surrounding area clean and free from debris to avoid interference with the scope's operation.
- Store the scope rings in a dry, cool place to prevent corrosion or damage.

## Specific Safety Precautions for Use

- Do not exceed the recommended torque specifications when tightening the scope rings to avoid damaging the scope or rings.
- Avoid using the scope rings in extreme temperatures or harsh weather conditions, as this may affect their performance.
- If you notice any unusual movement or looseness in the scope during use, stop immediately and inspect the scope rings.
- Ensure that children and vulnerable individuals are supervised when handling firearms and related accessories.

## Instructions for Installation and Usage

### 1. Installation of Scope Rings:

- Start by ensuring that the firearm is unloaded and pointed in a safe direction.
- Place the scope rings onto the Picatinny or Weaver base, ensuring they are positioned correctly.
- Align the scope within the rings, ensuring that the reticle is straight.
- Tighten the screws on the scope rings gradually, alternating between the left and right sides to maintain even pressure.
- Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.

### 2. Usage of Scope Rings:

- After installation, check the alignment of the scope. Make necessary adjustments before heading to the range or field.
- Regularly check the tightness of the scope rings during use, especially after firing a number of rounds.
- If you need to remove the scope, carefully loosen the screws and lift the scope out of the rings without forcing it.

## Disposal Instructions

- Dispose of any damaged or worn scope rings in accordance with local regulations.
- Recycle materials when possible, following your local recycling guidelines.

- Do not dispose of the scope rings in household waste if they are made of materials that can be recycled.

## **Contact Information for Further Support**

For any safety inquiries, product support, or to report unsafe products, please refer to the appropriate EU contact point or safety authority in your region.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of the TSRW Picatinny/Weaver Scope Rings. Always prioritize safety and stay informed about best practices for handling firearms and accessories.
