

# SIDE SNAP SCABBARD HOLSTERS - GALCO INTERNATIONAL SIDE SNAP SCABBARD SIG SAUER P226-BLACK-RIGHT HAND

[Home](#)

Constructed of premium steerhide, the improved Side Snap Scabbard retains the quick on-off snap loops that fit belts up to 1 1/2". The open top design remains the same, with the addition of a reinforced mouth for smooth and easy one-handed return to the holster. New to the SSS is a slight butt-forward cant, in contrast to the steeper angle of the earlier version. It keeps the adjustable tension unit and the comfortable, highly concealable forward-molded design of its predecessor, while adding a raised sweat guard to protect both the firearm and the gun carrier. Taken together, these features add up to a holster that is secure and convenient yet concealable with a very fast draw!
