

TEN-SPEED M4 CHEST RIG - BLUE FORCE GEAR TEN-SPEED M4 CHEST RIG MULTICAM

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

Lightweight Chest Carrier Holds 4 Mags or Other Stuff & Won't Overburden You

The Blue Force Ten Speed M4 Chest Rig is a lightweight magazine carrying system outfitted with four mag pouches to hold 30-round, AR-15 / M4 magazines. Fully adjustable for fit and carry position, the Ten Speed M4 Chest Rig can be worn over body armor or on its own. A rear drag handle allows you to attach ID or IFF patches. Constructed of rugged military-grade elastic fabric and Cordura® ballistic nylon 3" x 3" MOLLE fields on each side for accessory attachment 18" x 6" internal document pocket with hook and loop closure. Pattern on mag loops matches surrounding background pattern for superior camo effect. The Blue Force Ten Speed M4 Chest Rig is versatile, too: use it for carrying smoke grenades, flash bangs, GPS and radio units, or even medical supplies.

Safety Instruction Guide for TENSPEED M4 CHEST RIG

Introduction

Thank you for choosing the Blue Force Ten Speed M4 Chest Rig. This lightweight magazine carrying system is designed for safe and efficient use. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with this product.

General Safety Guidelines

- Ensure that the chest rig is properly adjusted to fit your body size and shape before use.
- Always inspect the rig for any signs of damage or wear before each use.
- Use the chest rig only for its intended purpose, which is to carry magazines and other specified items.
- Keep the rig away from children and vulnerable individuals unless supervised by an adult.
- In case of any accidents or unsafe product experiences, report them to the relevant authorities.

Specific Safety Precautions for Use

- **Adjusting the Fit:**
 - Make sure all straps are securely fastened and adjusted for comfort.
 - Do not overload the mag pouches beyond their intended capacity.
- **Carrying Items:**
 - Only use the designated pouches for magazines, smoke grenades, flash bangs, GPS units, radio units, or medical supplies.
 - Ensure that items carried in the rig do not protrude or obstruct movement.
- **Wearing Over Body Armor:**
 - If wearing over body armor, ensure compatibility and adjust accordingly for comfort and security.
- **Using the Rear Drag Handle:**
 - Use the drag handle only for its intended purpose of attaching ID or IFF patches.
- **Environmental Considerations:**
 - Avoid exposing the chest rig to extreme temperatures, moisture, or harsh chemicals that may degrade the materials.

Instructions for Installation and Usage

1. Putting on the Chest Rig:

- Place the chest rig over your head and adjust the shoulder straps.
- Secure the waist strap around your torso and tighten to ensure a snug fit.

2. Loading Magazines:

- Open the mag pouches and insert the magazines, ensuring they are seated properly.

- Close the pouches securely to prevent the magazines from falling out.

3. Attaching Accessories:

- Utilize the 3" x 3" MOLLE fields on each side for any additional accessories.
- Ensure that any attachments do not interfere with the use of the rig.

4. Adjusting for Comfort:

- After loading, stand up and adjust the straps as necessary to ensure comfort and mobility.

5. Removing the Chest Rig:

- Unbuckle the waist strap and carefully lift the rig over your head.

Disposal Instructions

- Dispose of the chest rig in accordance with local regulations for textile and plastic waste.
- If the rig is damaged beyond repair, consider recycling the materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Blue Force Ten Speed M4 Chest Rig, please reach out to the designated contact point in your region. Ensure that you have the product details handy for efficient assistance.

Thank you for prioritizing safety and proper usage of your Blue Force Ten Speed M4 Chest Rig. Enjoy your experience while ensuring compliance with the safety guidelines provided.
