Safety Instruction Guide for Silencerco Beretta 92FS/M9 Threaded Barrel

Introduction

Thank you for choosing the Silencerco Beretta 92FS/M9 Threaded Barrel. This product is designed to enhance your shooting experience by allowing the attachment of suppressors to your Beretta pistol. To ensure safe and effective use of this product, please carefully read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Ensure that you are of legal age and have the appropriate licenses or permits to own and operate firearms and suppressors in your jurisdiction.
- Always treat firearms as if they are loaded, even if you believe they are not.
- Keep firearms pointed in a safe direction at all times.
- Store the threaded barrel and your firearm securely to prevent unauthorized access, particularly by children or inexperienced users.
- Regularly inspect the threaded barrel for any signs of damage or wear before use.
- Be aware of your surroundings and ensure you are in a safe environment when using your firearm.

Specific Safety Precautions for Use

- Only use the Silencerco Beretta 92FS/M9 Threaded Barrel with compatible Beretta models (92F, 92FS, M9).
- Use only ½"28 tpi pistons for reliable function with this threaded barrel.
- Ensure that the suppressor you intend to use is compatible with the threaded barrel specifications.
- Always wear appropriate eye and ear protection when shooting.
- Do not attempt to modify the threaded barrel or firearm in any way that is not specified by the manufacturer.
- Be aware of the noise levels when using a suppressor and understand local noise ordinances.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your Beretta pistol according to the manufacturer's instructions.
- Carefully install the Silencerco Beretta 92FS/M9 Threaded Barrel by following these steps:
 - Align the barrel with the slide and frame of the pistol.
 - Insert the barrel into the chamber and ensure it is seated correctly.
 - Replace any necessary components (e.g., recoil spring) as per the firearm's manual.
- Install the thread protector onto the barrel threads to prevent damage when not using a suppressor.

2. Usage:

- Before firing, doublecheck that the suppressor is securely attached to the threaded barrel.
- Conduct a function check to ensure the firearm operates correctly with the new barrel.
- When shooting, maintain a firm grip on the firearm and keep your finger off the trigger until ready to fire.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance and longevity.

Disposal Instructions

- Dispose of the Silencerco Beretta 92FS/M9 Threaded Barrel in accordance with local regulations.
- If the barrel is damaged or no longer usable, consider contacting a licensed firearms dealer for proper disposal methods.
- Do not attempt to dispose of the barrel in regular household waste.

Contact Information for Further Support

For inquiries regarding safety, installation, or product performance, please reach out to your local authorized Silencerco dealer or visit the official Silencerco website for additional resources.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your Silencerco Beretta 92FS/M9 Threaded Barrel. Always prioritize safety and responsibility when handling firearms and their accessories. Thank you for your attention to these guidelines.
