

AR-15/M16 223 WYLDE CHROME LINED BARRELS - CRITERION BARRELS INC BARREL 223 WYLDE 14.5" 1-8 MID-LENGTH BLACK

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Chrome-lined, button rifled barrels feature 223 Wylde chambers and 1-8" twist for enhanced accuracy potential with both .223 and 5.56 NATO ammunition. Unique chrome-lining process maintains uniformity throughout the bore and hand-lapping helps ensure smooth, consistent lands and grooves. Gas ports are optimized for barrel length and chambering to help ensure reliable cycling, and are available for carbine, mid-length, and rifle gas systems. Also features 1/2"-28 tpi muzzle threads for standard comps and flash hiders, plus M4 feed ramps on barrel extension to aid in smooth, reliable feeding. Barrels now feature a dimple opposite the gas port, so screw-on gas blocks do not shift during firing. Hybrid contour barrels have a reduced and tapered contour under the handguard to save weight. HBAR contour barrels feature .870" diameter under the handguard for rigidity and extra heat absorption.

Attributes

- Name: [CRITERION BARRELS INC BARREL 223 WYLDE 14.5" 1-8 MID-LENGTH BLACK](#)
- Manufacturer: [CRITERION BARRELS INC](#)
- Product no.: 100024818

Safety Instruction Guide for AR15/M16 223 Wylde Chrome Lined Barrels

Introduction

Thank you for choosing the AR15/M16 223 Wylde Chrome Lined Barrel from Criterion Barrels Inc. This safety instruction guide is designed to ensure the safe use and handling of your barrel. Please read this guide carefully before using the product to understand the safety guidelines and precautions necessary for safe operation.

General Safety Guidelines

- Always treat your firearm and its components as if they are loaded and ready to fire.
- Ensure that you are familiar with local laws and regulations regarding firearm usage and ownership.
- Store your barrel and all firearm components securely and out of reach of children and unauthorized users.
- Regularly inspect your barrel for any signs of wear, damage, or corrosion before use.
- Use only recommended ammunition types to ensure safety and performance.
- Follow all manufacturer instructions for installation and usage to avoid accidents.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the recommended barrel length and twist specifications as stated in the product details.
- Avoid using ammunition that is not compatible with the 223 Wylde chamber.
- Ensure that the gas system is properly installed and functioning to prevent cycling issues.
- Always use eye and ear protection when firing your firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the barrel or its components without consulting a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the upper receiver according to the manufacturer's instructions.
- Align the new barrel with the upper receiver and securely fasten it using the appropriate tools.
- Ensure that the gas port is aligned with the gas block for proper gas system function.
- Install the muzzle device (compensator or flash hider) using the 1/2"28 tpi threads.
- Confirm that the barrel extension is properly seated and that M4 feed ramps are aligned for reliable feeding.

2. Usage:

- Before firing, doublecheck that the firearm is in good working order and free from obstructions.
- Load the firearm with compatible .223 or 5.56 NATO ammunition.
- Follow standard firearm safety practices when handling and firing.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance and longevity.

Disposal Instructions

- Dispose of the barrel and any related components in accordance with local regulations regarding hazardous materials.

- Do not discard the barrel in regular household waste.
- Consult with local authorities or waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your AR15/M16 223 Wylde Chrome Lined Barrel, please refer to the manufacturer's website or customer support for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your AR15/M16 223 Wylde Chrome Lined Barrel. Thank you for your attention to safety.
