[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

## A Drop-In Competition Barrel That Delivers "Custom" Performance

Faxon's Flame Match Barrel for Glock 19® sports innovative variable-depth fluted "flames" that give extra rigidity and help dissipate heat to keep the barrel cooler. Both factors contribute to these barrel's strong resistance to accuracy drift caused by heat warpage. Plus, it just looks cool! The Faxon Flame Match Barrel for Glock 19® is meticulously machined from triple stress-relieved 416R stainless steel, then given a hard, black Nitride finish for superb resistance to surface wear. The muzzle has an 11° target crown ensures the bullet departs on a true trajectory.. Compatible with Gen 1-4 G19 pistols Available with a plain, unthreaded muzzle OR with ½"-28 tpi threads for compensator or sound suppressor installation 9mm SAAMI-spec chamber AND 1-10" twist conventional rifling handles any type of projectile - jacketed, heavy subsonics, even cast-lead practice bullets Non-reflective, anti-wear Nitride finish Best of all, the Faxon Flame Match Barrel for Glock 19® drops right into a factory-spec slide with no gunsmithing required. Better-than-factory tolerances ensure a consistent, secure lockup, too, further enhancing your prospects for tight groups.

# Safety Instructions for Faxon Firearms Compact Match Flame Barrels for Glock® 19

## Introduction

Thank you for choosing the Faxon Flame Match Barrel for Glock 19®. This guide provides essential safety instructions to ensure the safe and effective use of your new barrel. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the barrel is compatible with your Glock 19® model (Gen 14).
- Always handle firearms with care and follow standard safety practices.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear.
- Use only approved ammunition types as specified in this guide.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper installation may lead to malfunction or injury.
- Use of incorrect ammunition can cause damage or injury.
- Overheating during extended use may affect performance.

### • Avoiding Hazards:

- Always ensure the firearm is unloaded before installation or maintenance.
- Do not exceed the recommended round count to prevent overheating.
- Use appropriate personal protective equipment (PPE) when handling firearms.

### • AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have a clean, welllit workspace.
- Gather necessary tools: a punch tool, hammer, and appropriate cleaning supplies.

### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory barrel from the Glock 19® by following the manufacturer's instructions.
- Insert the Faxon Flame Match Barrel into the slide, ensuring it is seated correctly.
- Use the punch tool and hammer to secure the barrel if necessary.
- Replace the recoil spring and slide assembly.
- Perform a function check to ensure proper operation.

### **3. Usage Instructions:**

- Use only 9mm SAAMI spec ammunition with a 110" twist conventional rifling.
- Monitor the barrel temperature during extended shooting sessions.
- Allow the barrel to cool down periodically to maintain performance.
- Clean the barrel regularly to prevent buildup and ensure longevity.

## **Disposal Instructions**

- Dispose of the barrel and any associated materials in accordance with local regulations.
- Do not dispose of firearms or components in regular household waste.
- Contact your local waste management facility for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Faxon Flame Match Barrel for Glock 19®, please refer to the manufacturer's contact information available on their website or product packaging.

By following these guidelines, you can ensure the safe and effective use of your Faxon Flame Match Barrel. Thank you for your attention to safety and responsible firearm handling.
