# DROPBOX KEYPAD VAULT SNAP SAFE Safety Instruction Guide

## Introduction

Thank you for choosing the DROPBOX KEYPAD VAULT by SNAP SAFE. This product is designed to securely store your handgun while ensuring quick access when needed. To ensure safe and effective use of the vault, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always keep the vault locked when not in use to prevent unauthorized access.
- Ensure that the vault is mounted securely to prevent it from being moved or tampered with.
- Keep the vault out of reach of children and vulnerable individuals.
- Regularly check the battery level and replace batteries as needed to ensure functionality.
- Report any malfunctions or safety concerns to the manufacturer immediately.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper installation may lead to the vault falling or being accessible to unauthorized users.
  - Failure to secure the vault can lead to theft or accidental access.
- **Avoiding Hazards:**
  - Always follow installation instructions carefully.
  - Ensure that the vault is mounted in a location where it cannot be easily reached by children.
  - Do not store items other than firearms in the vault.
  - Regularly inspect the vault for signs of wear or damage.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a suitable location for installation (under a counter, desk, or on a nightstand).
- Use the provided mounting bracket to secure the vault in place.
- Ensure that the vault is firmly attached and cannot be easily removed.
- Follow the instructions provided in the installation manual to ensure proper mounting.

### 2. Usage:

- To access your handgun, enter the programmed 4 to 6 digit keypad code.
- Ensure that the keypad is functioning properly before relying on it for access.
- If the battery is low, replace it immediately using four AAA batteries (not included).
- In case of keypad failure, use the backup key lock override to access the vault.

## Disposal Instructions

- Dispose of the vault in accordance with local regulations for metal and electronic waste.
- Remove batteries before disposal and recycle them according to local guidelines.
- Ensure that the vault is rendered unusable before disposal to prevent unauthorized access.
