# Safety Instruction Guide for Aero Precision AR15 Upper Receiver with No Auto Sear Cut

## Introduction

Thank you for choosing the Aero Precision AR15 Upper Receiver with No Auto Sear Cut. This guide provides important safety instructions and usage information to ensure safe handling and operation of your new product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that you are legally allowed to possess and use AR15 components in your jurisdiction.
- Always treat all firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the upper receiver and any associated components in a secure location, away from unauthorized access, especially by children.
- Regularly inspect the upper receiver for any signs of damage or wear before use.
- Familiarize yourself with the specific laws and regulations regarding firearms in your area.

## Specific Safety Precautions for Use

- Only use this upper receiver with a compatible AR15 lower receiver.
- Ensure that the upper receiver is properly installed and secured before use.
- Do not attempt to modify or alter the upper receiver in any way, as this may compromise safety and performance.
- Use only ammunition that is specified for this upper receiver, specifically 5.56 NATO.
- Always wear appropriate eye and ear protection when firing.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the AR15 lower receiver is clean and free of debris.
- Align the upper receiver with the lower receiver, ensuring the takedown pin holes are properly aligned.
- Insert the takedown pins to secure the upper receiver to the lower receiver.
- Check that the upper receiver is firmly attached and does not wobble.

### 2. Usage:

- Load the firearm with 5.56 NATO ammunition only.
- Engage the safety mechanism until you are ready to fire.
- Aim the firearm at your target and ensure a clear line of sight.
- Disengage the safety and pull the trigger to fire.
- After firing, ensure the firearm is on safe before handling or transporting.

## Disposal Instructions

- Dispose of the upper receiver in accordance with local regulations regarding firearm components.
- Do not dispose of the upper receiver in regular household waste.
- Contact local authorities or a licensed firearms dealer for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of your Aero Precision AR15 Upper Receiver with No Auto Sear Cut, please refer to the manufacturer's website or customer service resources.

## **Conclusion**

Your safety and the safety of others are of utmost importance. By following these guidelines, you can ensure a safe and enjoyable experience with your Aero Precision AR15 Upper Receiver. Always stay informed about best practices for firearm safety and remain vigilant in your responsibilities as a firearm owner.
