CLUB TIMER III CARRYING CASE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the CLUB TIMER III CARRYING CASE by PACT. This carrying case is designed to protect your Club Shot Timer II or Club Shot Timer III, ensuring that your precision electronic timing product remains safe from damage. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the carrying case is used solely for its intended purpose of storing and protecting the Club Shot Timer II or Club Shot Timer III.
- Inspect the carrying case regularly for signs of wear or damage. Do not use the case if it is damaged.
- Keep the carrying case away from extreme temperatures, moisture, and direct sunlight to preserve its integrity.
- Store the carrying case in a dry, cool place when not in use.
- Be aware of your surroundings when using the carrying case to avoid accidents or injuries.

Specific Safety Precautions for Use

- Do not overload the carrying case with items other than the Club Shot Timer II or Club Shot Timer III.
- Ensure that the zipper closure is fully secured before transporting the carrying case.
- Avoid exposing the carrying case to sharp objects that may puncture or tear the material.
- Keep the carrying case out of reach of children to prevent accidental injury or damage to the product.
- If the carrying case becomes wet, allow it to dry completely before using it again.

Instructions for Installation and Usage

1. Placing the Timer in the Case:

- Open the zipper of the carrying case.
- Carefully place the Club Shot Timer II or Club Shot Timer III inside the case.
- Ensure that the timer fits snugly and is not pressing against the zipper or seams.

2. Securing the Case:

- Close the zipper completely to secure the contents.
- Check that the zipper is functioning properly and that there are no obstructions.

3. Transporting the Case:

- Hold the carrying case by its handles or designated grips.
- Avoid swinging or tossing the case to prevent impact damage to the contents.

4. Cleaning the Case:

- Wipe the exterior of the carrying case with a damp cloth to remove dirt or debris.
- Do not use harsh chemicals or abrasive materials that may damage the nylon fabric.

Disposal Instructions

- Dispose of the carrying case responsibly at a designated waste disposal facility.
- If the carrying case is no longer usable, consider recycling the materials if possible.
- Do not dispose of the carrying case in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the CLUB TIMER III CARRYING CASE, please reach out to your local distributor or the manufacturer directly. It is essential to have a point of contact for any safetyrelated issues.

Conclusion

We hope this safety instruction guide assists you in using the CLUB TIMER III CARRYING CASE safely and effectively. By following these guidelines, you can ensure the longevity and protection of your Club Shot Timer II or Club Shot Timer III. Always prioritize safety and report any unsafe products or incidents to the appropriate authorities. Thank you for your attention and for choosing PACT products.
