Install Picatinny Accessories On M-LOK Handguards

Install Picatinny Accessories On M-LOK® Handguards Bravo Company BCM M-LOK® Picatinny Rail sections serve as adapters enabling you to attach Picatinny-compatible accessories to Bravo Company M-LOK® handguards. These rail sections are available in lightweight reinforced Nylon polymer or, for high-weight/high-stress installations, Aluminum. Aluminum BCM M-LOK® rail sections have slots machined to MIL-STD 1913 Picatinny specs. Nylon sections are injection molded from a proprietary reinforced composite for excellent strength and durability. Both rails have beveled ends to eliminate sharp corners and edges - and reduce the chances of snagging on sling, clothing, or vegetation. 3" long - install only in exact spots where you want to mount accessories Fits M-LOK® interface mounting surfaces Includes mounting hardware Bravo Company BCM M-LOK® Picatinny rail sections make it easy for you to expand the accessory mounting capabilities of your rifle, while continuing to benefit from the smoother handguard surface provided by the M-LOK® system. Brownells Gun Tech™ Note: BCM nylon polymer Picatinny rail sections are for NON-load-bearing accessories only (grips, hand stops, light mounts). Load-bearing accessories such as bipod mounts, sling mounts, vertical grips, and barricade supports require BCM aluminum M-LOK® Picatinny rail sections.

BCMGUNFIGHTER MLOK Picatinny Rail Sections

Safety Instruction Guide

Introduction

Thank you for choosing the BCMGUNFIGHTER MLOK Picatinny Rail Sections by Bravo Company. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Ensure that all safety instructions are followed to prevent accidents or injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any defects or damages, do not use the product and contact customer support.
- Always use the product in accordance with the manufacturer's instructions.
- Dispose of packaging materials properly to avoid hazards.

Specific Safety Precautions for Use

- The BCM MLOK Picatinny Rail Sections are designed for specific applications. Ensure that you use the correct rail section for your intended accessories.
- Only attach loadbearing accessories (such as bipod mounts, sling mounts, vertical grips, and barricade supports) to the aluminum rail sections.
- Use nylon rail sections only for nonloadbearing accessories (such as grips, hand stops, and light mounts).
- Ensure that the installation area is clean and free of debris to avoid interference with mounting.
- Avoid using excessive force when installing the rail sections to prevent damage.
- Do not exceed the weight limit specified for each rail section to ensure safety and performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure that the mounting surface is clean and dry.

2. Installation Steps:

- Identify the desired location on your MLOK handguard for the rail section.
- Align the rail section with the MLOK slots.
- Insert the mounting hardware into the rail section.
- Securely tighten the hardware using the appropriate tool, ensuring the rail section is firmly attached without overtightening.

3. Usage:

- After installation, confirm that the rail section is securely attached before mounting any accessories.
- Attach accessories only to the designated rail section, following the manufacturer's instructions for the accessory.
- Regularly check the tightness of the rail section and accessories during use.

Disposal Instructions

- Dispose of the product and its packaging in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety concerns, product usage, or installation assistance, please refer to the manufacturer's contact information provided on the packaging or the official website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with your BCMGUNFIGHTER MLOK Picatinny Rail Sections. Thank you for your attention to safety.
