## Upgrade the Accuracy of Your M&P M2.0

Upgrading the accuracy of your M&P M2.0 Compact with Faxon's new 9mm Luger Flame Fluted barrels. Made from 416-R Stainless Steel, the Flame Fluted barrels are conventionally rifled with a 1:10 twist barrel. The Faxon M2.0 Compact barrel is also coated in a salt bath nitride finish that has great wear resistance properties inside and out. Faxon finishes each barrel with their distinctive flame fluting to give the barrel a custom touch. Flame Fluted barrel Caliber: 9mm Luger 11-degree target crown 416-R Stainless Steel construction Black finish In addition to the conventional rifling and the match grade 416-R steel, Faxon also cuts an 11-degree crown on the muzzle for maximum accuracy.

# Safety Instruction Guide for SMITH & WESSON M&P 2.0 COMPACT 9MM LUGER FLAME FLUTED BARREL

## Introduction

Thank you for choosing the SMITH & WESSON M&P 2.0 COMPACT 9MM LUGER FLAME FLUTED BARREL. This guide provides important safety instructions and guidelines to ensure safe usage and maintenance of your product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the product is used according to the manufacturer's instructions.
- Always treat the barrel as if it is loaded, even when you believe it to be unloaded.
- Keep the barrel and any related equipment out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Store the barrel in a secure location when not in use, preferably in a locked safe or cabinet.
- Be aware of your surroundings and ensure that you are in a safe environment when using the barrel.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Ensure that the barrel is properly installed on the firearm before use.
- Do not attempt to modify the barrel or use it in a manner not intended by the manufacturer.
- Be cautious of the ammunition used; ensure it is compatible with the 9mm Luger caliber.
- Avoid using the barrel in extreme temperatures or conditions that may affect its performance.
- If you notice any unusual behavior or performance issues with the barrel, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing barrel from your M&P 2.0 Compact by following the manufacturer's instructions.
3. Carefully install the new Flame Fluted barrel by aligning it properly and securing it as per the firearm's specifications.
4. Doublecheck to ensure that the barrel is properly seated and secured.

### • Usage:

1. Before firing, check that the firearm is clean and free from obstructions.
2. Load the firearm with compatible 9mm Luger ammunition.
3. Follow standard safety protocols for handling and firing the firearm.
4. After use, clean the barrel according to the manufacturer's recommendations to maintain its performance and longevity.

## Disposal Instructions

- Dispose of the barrel and any related components in accordance with local regulations.
- Do not dispose of the barrel in regular trash; instead, consider recycling options or returning it to the

manufacturer if applicable.

- Ensure that the barrel is rendered unusable before disposal to prevent unauthorized use.

## **Contact Information for Further Support**

For any inquiries or concerns about the safety and performance of your SMITH & WESSON M&P 2.0 COMPACT 9MM LUGER FLAME FLUTED BARREL, please reach out to your local authorized dealer or the manufacturer's customer service. They can provide assistance and address any safety concerns you may have.

## **Conclusion**

By following the guidelines and instructions provided in this safety instruction guide, you can ensure a safe and enjoyable experience with your SMITH & WESSON M&P 2.0 COMPACT 9MM LUGER FLAME FLUTED BARREL. Always prioritize safety and stay informed about best practices in firearm handling and maintenance.
