Safety Instruction Guide for SMITH & WESSON M&P 2.0 Fullsize 9mm Luger Flame Fluted Barrel

Introduction

Thank you for choosing the SMITH & WESSON M&P 2.0 Fullsize 9mm Luger Flame Fluted Barrel. This guide provides essential safety instructions and precautions to ensure safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is used in accordance with all local laws and regulations.
- Always treat firearms and firearm components as if they are loaded.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage.
- Do not use the barrel if it appears damaged or if there are any abnormalities.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using firearms.
- Follow all manufacturer instructions regarding installation, usage, and maintenance.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attempting to install or replace the barrel.
- Do not attempt to modify the barrel or any other firearm component.
- Only use ammunition that is compatible with the 9mm Luger caliber.
- Be cautious of hot surfaces; the barrel may become hot during use.
- If you experience any malfunctions during use, cease operation immediately and consult a qualified gunsmith.
- Store the barrel in a secure location when not in use to prevent unauthorized access.

Instructions for Installation and Usage

Installation

1. **Field Strip the Firearm:** Follow the manufacturer's instructions to safely field strip your SMITH & WESSON M&P 2.0 Fullsize pistol.
2. **Remove the Existing Barrel:** Carefully remove the existing barrel from the firearm.
3. **Inspect the New Barrel:** Check the new Faxon 9mm Luger Flame Fluted Barrel for any visible damage or defects.
4. **Install the New Barrel:**
 - Align the new barrel with the slide.
 - Slide it into place until it is securely fitted.
5. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble your firearm.
6. **Function Check:** Before using the firearm, perform a function check to ensure everything is operating correctly.

Usage

- Always ensure the firearm is pointed in a safe direction when loading or unloading.
- Keep your finger off the trigger until you are ready to shoot.
- Follow all standard firearm safety practices during use.
- If using the firearm for target shooting, ensure that the range is safe and that you are following all range

rules.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for hazardous materials.
- If the barrel is damaged beyond repair, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For safety inquiries or concerns regarding your SMITH & WESSON M&P 2.0 Fullsize 9mm Luger Flame Fluted Barrel, please consult the manufacturer's customer service or your local firearms dealer for assistance.

Thank you for prioritizing safety while using your SMITH & WESSON M&P 2.0 Fullsize 9mm Luger Flame Fluted Barrel. Stay safe and responsible.
