

UNIVERSAL PUMP/SEMI AUTO SHOTGUN SHELL CARRIER

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

Access Additional Shotshells on Any Shotgun

Many of today's popular receiver-mounted shotshell carriers are designed for popular Remington 870 or Mossberg 500 shotguns and nothing else! If you own one of the dozens of other popular shotguns on the market and want spare rounds on-board your gun, then the Airdus Universal Shotgun Shell Carrier is designed to work on your gun. Unlike other model-specific shell carriers, the Airdus Universal Shotgun Shell Carrier doesn't depend on receiver-screw alignment to attach. Instead, the unit uses an incredibly powerful adhesive that's designed to stay secured to a shotgun receiver in any condition, thanks to heat- and cold-resistant composition that stays secure in temperatures ranging from -30 to 230 degrees Fahrenheit. The Universal Shotgun Shell Carrier also features access cutouts that enable shotgun owners to access critical receiver pins for disassembly. The shell carrier is built to work with both pump and semi-auto actions alike.

Attributes

- Name: [UNIVERSAL PUMP/SEMI AUTO SHOTGUN SHELL CARRIER](#)
- Manufacturer: [Aridus Industries](#)
- Product no.: 100027572
- Mfr. No.: QDC-UNI

Safety Instruction Guide for the Airdus Universal Shotgun Shell Carrier

Introduction

Thank you for choosing the Airdus Universal Shotgun Shell Carrier. This guide provides essential safety instructions and information to ensure the safe use of the product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that the shotgun shell carrier is compatible with your shotgun model before use.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the shell carrier for signs of wear or damage. If any defects are found, discontinue use immediately.
- Be aware of your surroundings when using the shotgun and ensure that the area is safe for shooting.
- Follow all safety instructions provided by your shotgun manufacturer.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of the shell carrier (6 rounds).
- Ensure that the adhesive used to attach the shell carrier is fully cured before using the shotgun.
- Avoid exposing the shell carrier to extreme temperatures outside the range of 30 to 230 degrees Fahrenheit.
- Do not use the shell carrier if it shows signs of detachment from the shotgun receiver.
- Always check the shotgun's safety mechanism before loading or unloading shells.

Instructions for Installation and Usage

Installation

1. **Clean the Surface:** Ensure that the shotgun receiver is clean and free of oil or debris.
2. **Position the Carrier:** Align the Airdus Universal Shotgun Shell Carrier in the desired position on the shotgun receiver.
3. **Apply Adhesive:** Press the carrier firmly against the receiver, ensuring that the adhesive makes full contact.
4. **Cure Time:** Allow the adhesive to cure according to the manufacturer's instructions before using the shotgun.

Usage

1. **Loading Shells:** Carefully load up to 6 rounds into the shell carrier.
2. **Accessing Shells:** When ready to shoot, access the shells from the carrier with care to avoid any accidental discharge.
3. **Disassembly:** If you need to disassemble the shotgun, use the access cutouts to reach critical receiver pins without removing the shell carrier.

Disposal Instructions

- Dispose of the shell carrier in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options where available.

Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe conditions, please contact your local distributor or the manufacturer directly. Ensure you have your product details and purchase information ready for efficient assistance.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your Airdus Universal Shotgun Shell Carrier. Thank you for your attention to safety.
