

BERETTA 1301 LATCH & SHROUD

[Shotgun Parts](#) > [Bolt Parts](#) > [Bolt Hardware](#)

One of the most popular tactical- and competition-style shotguns on the market today is the Beretta 1301, but one frustrating element of the gun is the possibility of a "catastrophic shell dump." This malfunction occurs when the OEM latch on the shotgun actuates the shell stop, releasing multiple shotgun shells into the receiver. Designed by Tom Jones and built by Aridus Industries, the Beretta 1301 Latch & Shroud solves this potentially dangerous issue by adding in a redesigned latch that's then protected by the included shroud. This prevents accidental dumping of shells and turns the Beretta 1301 into a solid semi-auto shotgun that'll perform well both on and off the range.

Attributes

- Name: [BERETTA 1301 LATCH & SHROUD](#)
- Manufacturer: [Aridus Industries](#)
- Product no.: 100027574
- Mfr. No.: YT-1301

Beretta 1301 Latch & Shroud Safety Instruction Guide

Introduction

Thank you for choosing the Beretta 1301 Latch & Shroud. This product is designed to enhance the safety and performance of your Beretta 1301 shotgun. It addresses the issue of "catastrophic shell dump" by providing a redesigned latch and protective shroud. Please read this safety instruction guide carefully to ensure safe and effective use of your product.

General Safety Guidelines

- Ensure that the Beretta 1301 Latch & Shroud is installed correctly before use.
- Always handle your shotgun with care and treat it as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the shotgun and its accessories in a secure location, away from children and unauthorized users.
- Regularly inspect the latch and shroud for wear or damage.
- Follow all local laws and regulations regarding the use and storage of firearms.

Specific Safety Precautions for Use

- **Avoid Overloading:** Do not attempt to load more shells than the shotgun can safely handle.
- **Check Compatibility:** Ensure that the Beretta 1301 Latch & Shroud is compatible with your specific model of the Beretta 1301 shotgun.
- **Use Approved Ammunition:** Always use ammunition that is recommended by the manufacturer.
- **Monitor for Malfunctions:** If you experience any issues with the latch or shroud, cease use immediately and consult a qualified gunsmith.
- **Protective Gear:** Wear appropriate protective gear, such as eye and ear protection, when using your shotgun.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure the shotgun is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, if required.

2. Remove the Existing Latch:

- Follow the manufacturer's instructions to safely remove the OEM latch from the shotgun.

3. Install the Beretta 1301 Latch:

- Align the new latch with the designated area on the shotgun.
- Securely attach the latch according to the provided instructions.

4. Attach the Shroud:

- Position the shroud over the latch.
- Ensure that it fits snugly and securely protects the latch from accidental dumping.

5. Final Check:

- Verify that the latch operates smoothly and that the shroud is properly in place.
- Conduct a safety check before using the shotgun.

Usage Instructions

- Always follow safe handling practices when using the Beretta 1301 shotgun.
- Load the shotgun with the appropriate number of shells as per the manufacturer's specifications.
- Engage the latch to ensure that it is functioning correctly before firing.
- After use, ensure that the shotgun is unloaded and cleaned as per the manufacturer's guidelines.

Disposal Instructions

- Dispose of the Beretta 1301 Latch & Shroud in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options or return to the manufacturer for proper disposal.

Contact Information for Further Support

For any inquiries, concerns, or to report unsafe products, please consult the appropriate local authorities or your retailer. You can also check for recall updates on the EU's Safety Gate platform to ensure you are informed about any safety issues related to your product.

By following these safety instructions, you can ensure a safer experience with your Beretta 1301 Latch & Shroud. Thank you for your attention to safety and compliance with these guidelines.
