

1911 CMDR 45 ACP GI SLIDE-DOVETAIL SIGHT CUTS & REAR COCKING SER - FUSION FIREARMS 1911 COMMANDER 45 ACP GI SLIDE-DOVETAIL SIGHT CUTS

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

1911 Slide, Fusion Diamond Series Commander Slide. Combat GI Colt Style. Comes completely machined for 45acp caliber barrels. This slide is precision CNC machined from 4140 Bar-Stock and heat treated. Featuring GI/Mil spec rear serrations and standard dovetail Rear: .495 x 65 degree, Front: .330 x 65 degree sight cuts. These slides are supplied "in the white", matte finish and oil dipped. The firing pin holes on all diamond series slides and top ends are reamed to take the 9mm / 38 super firing pin, as with all high grade slides. This slide has the 45 ACP breech face cut so it will work with all of the 45 cartridge group (45 ACP, 45 Super, 400 Corbon, 460 , etc.)

Safety Instruction Guide for 1911 CMDR 45 ACP GI SLIDEDOVETAIL SIGHT CUTS

Introduction

Thank you for choosing the Fusion Firearms 1911 Commander 45 ACP GI Slide with Dovetail Sight Cuts. This guide provides essential safety instructions to ensure the safe use and handling of this product, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- **Product Safety:** Always ensure that the product is used safely according to the guidelines provided. This product is designed for use with firearms and should be handled with care.
- **Enhanced Recalls:** Stay informed about any recalls that may affect this product. If you receive a recall notice, follow the instructions provided immediately.
- **Online Shopping:** If purchased online, ensure that the retailer meets the same safety standards as physical stores.
- **Special Consumer Focus:** This product is not intended for use by individuals under the legal age for firearm handling in your jurisdiction. Always supervise vulnerable groups when handling firearms.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for this product.
- **Rapid Alerts:** Monitor updates regarding unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Handling:** Always treat the slide as if it were loaded. Keep your finger off the trigger until you are ready to shoot.
- **Installation:** Ensure that the slide is installed correctly on a compatible firearm. Incorrect installation may lead to malfunctions or accidents.
- **Inspection:** Before use, inspect the slide for any signs of damage or wear. Do not use the slide if it appears compromised.
- **Ammunition Compatibility:** Only use ammunition that is compatible with the 45 ACP cartridge group. Using incorrect ammunition may result in firearm failure or injury.
- **Shooting Environment:** Always shoot in a safe and controlled environment, away from people and property. Follow all local laws and regulations regarding shooting.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing slide from the firearm according to the manufacturer's instructions.
- Align the Fusion Firearms slide with the frame of the firearm.
- Carefully slide it into place, ensuring that it is securely attached.
- Check that all components are functioning correctly before attempting to fire.

2. Usage:

- Load the firearm with appropriate ammunition (45 ACP or compatible).
- Ensure that the safety mechanisms are engaged until you are ready to fire.
- Aim in a safe direction and follow standard shooting protocols.
- After firing, always inspect the firearm for any potential issues.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components and materials.
- If the slide is damaged beyond repair, ensure that it is rendered unusable before disposal to prevent misuse.

Contact Information for Further Support

For any questions or concerns regarding the product, please refer to the designated contact point provided by the manufacturer or retailer.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Fusion Firearms 1911 Commander 45 ACP GI Slide. Always prioritize safety when handling firearms.
