

DELUXE 3-DIE SETS - REDDING 20 NOSLER 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS

REDDING 20 NOSLER 3 DIE SET

Introduction

Thank you for choosing the Redding Deluxe 3Die Set for 20 Nosler. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document thoroughly before using the product and keep it for future reference.

General Safety Guidelines

- Ensure that you are familiar with the safe handling and operation of reloading equipment.
- Always work in a wellventilated area to avoid inhaling any dust or fumes from the materials.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling dies and components.
- Keep the work area clean and organized to prevent accidents and ensure efficient operation.
- Store dies and related equipment in a secure location, out of reach of children and untrained individuals.
- Regularly inspect your die set for any signs of wear, damage, or malfunction. If any issues are found, discontinue use immediately.
- Follow all local laws and regulations regarding reloading and ammunition production.

Specific Safety Precautions for Use

- **Use Proper Equipment:** Always use the die set with compatible reloading equipment and components.
- **Follow Manufacturer Instructions:** Adhere strictly to the manufacturer's guidelines for setup and operation.
- **Avoid Overloading:** Do not exceed the recommended load limits for your ammunition.
- **Check for Obstructions:** Before using the dies, ensure that there are no obstructions in the die or press that could cause malfunctions.
- **Handle with Care:** Use caution when handling sharp edges or components that may cause injury.
- **Keep Away from Children:** Ensure that the die set and all reloading components are stored securely and out of reach of children.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Gather all necessary components, including the die set, shell holder (sold separately), and any additional tools required.

2. Installing the Dies:

- Remove the die from its packaging and inspect for any damage.
- Install the fulllength sizing die in the press according to the manufacturer's instructions.
- Adjust the die to achieve the desired sizing. Refer to your press manual for specific adjustment procedures.
- Install the neck sizing die and the seating die in the same manner, ensuring they are securely tightened.

3. Reloading Process:

- Follow the reloading steps as outlined in your reloading manual, ensuring that you use the correct

- components for 20 Nosler ammunition.
- Always doublecheck powder charges and bullet seating depths for accuracy.
- After reloading, inspect each cartridge for defects and ensure proper fit in your firearm.

4. PostUse Care:

- Clean the dies after each use to remove any residue or debris.
- Store the die set in the provided die box, along with the spare decapping pin and hex wrench.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of ammunition or reloading materials in regular household waste.
- Contact your local authorities for guidance on safe disposal methods for hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Redding Deluxe 3Die Set, please contact the manufacturer or your point of purchase. Ensure that you have the product details handy for a quicker response.

By following this safety instruction guide, you can ensure a safe and enjoyable reloading experience. Thank you for your attention to safety and for choosing Redding products.
