# Safety Instruction Guide for SUPERIOR PLATED 40 CALIBER/10MM BULLETS

## Introduction

Thank you for choosing Berry's Superior Plated Bullets. This guide provides essential safety information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the bullets.

## General Safety Guidelines

- Ensure that all users are aware of the potential hazards associated with handling and using ammunition.
- Always store ammunition in a cool, dry place, away from direct sunlight and out of reach of children.
- Use appropriate personal protective equipment (PPE) when handling bullets, including safety glasses and gloves.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Report any unsafe products or incidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically designed for 40 caliber or 10mm ammunition.
- Verify that your firearm is in good working condition before use.
- Avoid using damaged or corroded bullets, as they may cause malfunctions or accidents.
- Always handle bullets with care to avoid injury or accidental discharge.
- Never point a firearm at anything you do not intend to shoot.
- Use the correct reloading data for these bullets to ensure safe and effective performance.
- Keep the area around you clear of bystanders when loading or firing your firearm.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have all necessary tools and equipment for reloading.
- Read the firearm's manual to understand the specific requirements for loading and firing.

### 2. Loading the Bullets

- Carefully inspect each bullet before loading.
- Follow the recommended reloading procedures for your specific firearm.
- Ensure that the bullets are seated correctly in the cartridge case to avoid misfires.

### 3. Firing the Bullets

- Always use the bullets in a wellventilated area.
- Ensure that you are in a controlled environment, such as a shooting range.
- Follow all safety protocols and instructions provided by your firearm manufacturer.

### 4. PostUse Care

- Clean your firearm after use to remove any residue that could affect performance.
- Store any unused bullets in their original packaging and in a secure location.

## **Disposal Instructions**

- Dispose of any unused or defective bullets in accordance with local regulations.
- Do not throw bullets in regular trash; instead, use designated hazardous waste disposal facilities.
- Contact local authorities for guidance on safe disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the EUbased contact point provided with your product packaging or visit the appropriate safety authority's website.

By following these guidelines, you can help ensure a safe and enjoyable experience when using Berry's Superior Plated Bullets. Thank you for your attention to safety.
