## Secure Your Surefire Scout Light

A scout light mounted on a defensive carbine is one of the most critical elements in a defensive or offensive AR-style rifle. To confidently activate these lights, a secure attachment system must be mounted. The Cloud Defensive Surefire ST07 Light Control System is purpose-built to provide that confidence. The Cloud Defensive Surefire ST07 Light Control System is a unique, patent-pending design that's built for use with the same tape switch that ships with Surefire Scout weaponlights. The ambidextrous mounting surface attaches to a handguard securely and provides plenty of room to squirrel away excess cable. Does Not Include Remote Switch Length: 2.5 inches Height: 0.303 inch Width: 1.19 inches Weight: 1 ounce Durability is ensured, since the Cloud Defensive Surefire ST07 Light Control System mount is machined entirely from 6061 aluminum and is finished with a hard-anodized treatment that meets military specifications.

# LIGHT CONTROL SYSTEM SURFIRE ST07 Safety Instruction Guide

## Introduction

Thank you for choosing the Cloud Defensive Surefire ST07 Light Control System. This product is designed to enhance the functionality of your defensive or offensive ARstyle rifle by providing a reliable lighting solution. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the Cloud Defensive Surefire ST07 Light Control System by following all instructions and guidelines provided.
- **Enhanced Recalls:** In the event of a product recall, stay informed through official notifications and take advantage of any offered remedies.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** Extra care should be taken when using this product around vulnerable groups, such as children.
- **EU Contact Point:** For any safety inquiries, consult the manufacturer's contact information provided with the product.
- **Rapid Alerts:** Stay updated on product safety through the EU's Safety Gate platform for any alerts regarding unsafe products.

## Specific Safety Precautions for Use

- **Avoid Direct Eye Exposure:** Do not shine the light directly into anyone's eyes, as this can cause temporary blindness or discomfort.
- **Secure Attachment:** Ensure that the light control system is securely attached to your handguard to prevent accidental detachment during use.
- **Cable Management:** Properly manage the excess cable to avoid snagging or entanglement that could lead to accidents.
- **Regular Inspections:** Periodically check the mount and light for any signs of wear or damage. Replace if necessary.
- **Do Not Alter:** Avoid modifying or altering the product in any way, as this may compromise safety and functionality.
- **Keep Away from Children:** Ensure that the product is stored out of reach of children to prevent misuse or accidents.

## Instructions for Installation and Usage

### Installation Instructions

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any mounting hardware provided.
2. **Select Mounting Location:** Choose a suitable location on your handguard that allows for easy access to the light control system.
3. **Attach the Mount:**
  - Align the ambidextrous mounting surface with the chosen location.
  - Secure the mount using the provided screws, ensuring it is tight and stable.
4. **Connect the Tape Switch:**
  - Attach the tape switch to the designated area on the mount.

- Ensure the switch is easily accessible for activation.
5. **Cable Management:**
- Neatly route the excess cable along the handguard.
  - Use cable ties if necessary to secure the cable and prevent movement.

## Usage Instructions

- **Activating the Light:** Use the tape switch to activate the light. Ensure that your grip allows for quick access during use.
- **Adjusting the Light:** If your model allows for brightness adjustments, familiarize yourself with the settings to optimize performance based on your needs.
- **Turning Off:** Always remember to turn off the light after use to conserve battery life and prevent overheating.

## Disposal Instructions

- **Product Disposal:** When the Cloud Defensive Surefire ST07 Light Control System reaches the end of its life, dispose of it in accordance with local regulations regarding electronic waste.
- **Packaging Disposal:** Recycle the packaging materials where possible. Follow local recycling guidelines for proper disposal.

## Contact Information for Further Support

For any questions or concerns regarding the Cloud Defensive Surefire ST07 Light Control System, please refer to the contact information provided with your product packaging or visit the manufacturer's official website for more details.

By following these safety instructions, you can ensure a safe and effective experience with the Cloud Defensive Surefire ST07 Light Control System. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
