# Safety Instruction Guide for PFC9 Serialized Frame for Glock 19/23

## Introduction

Thank you for choosing the PFC9 Serialized Frame for Glock 19/23. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the frame.

## General Safety Guidelines

- Ensure safe use of the PFC9 frame by following these guidelines:
  - Always treat the frame as if it is loaded.
  - Keep the frame out of reach of children and unauthorized users.
  - Use the frame only as intended and according to manufacturer specifications.
  - Regularly inspect the frame for signs of wear or damage.
  - Store the frame in a secure location when not in use.

## Specific Safety Precautions for Use

- To avoid potential hazards, please adhere to the following precautions:
  - Always wear appropriate protective gear, including eye and ear protection, when handling firearms.
  - Do not modify the frame in ways not approved by the manufacturer.
  - Ensure that all components are compatible with the PFC9 frame before assembly.
  - Follow all local laws and regulations regarding firearm ownership and use.
  - If you are unfamiliar with firearm assembly or use, seek assistance from a qualified professional.

## Instructions for Installation and Usage

- Follow these steps for proper installation and use of the PFC9 frame:

1. **Assembly Preparation**
  - Gather all necessary tools and components.
  - Ensure you are in a safe and controlled environment.
2. **Frame Assembly**
  - Carefully follow the instructions provided with your parts to assemble the PFC9 frame.
  - Ensure that all parts fit securely and function correctly.
3. **Testing the Frame**
  - Once assembled, perform a function check to ensure proper operation.
  - Verify that the locking block rail system and rear rail module are securely attached.
4. **Usage**
  - When using the frame, adhere to safe handling practices.
  - Always aim in a safe direction and keep your finger off the trigger until ready to fire.
5. **Maintenance**
  - Regularly clean and maintain the frame according to the manufacturer's guidelines.
  - Check for any loose components or signs of wear and address them promptly.

## Disposal Instructions

- When it comes time to dispose of the PFC9 frame:
  - Follow local regulations for the disposal of firearms and firearm components.
  - Ensure that the frame is rendered inoperable before disposal.
  - Contact local authorities for guidance on safe disposal methods.

## Contact Information for Further Support

- For any inquiries or concerns regarding the PFC9 Serialized Frame, please refer to the manufacturer's contact information provided with your product.

## Conclusion

Following these safety instructions will help ensure the safe use of the PFC9 Serialized Frame for Glock 19/23. Always prioritize safety and responsible handling practices. Thank you for choosing our product, and we wish you a safe and enjoyable experience.
