

# PFC- G19/23 SERIALIZED FRAME - PFC9 G19/23 SERIALIZED FRAME AGGRESSIVE TEXTURE BLACK

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

Home pistol builders, here's your chance to build a Glock® 19 or 23 with better ergonomics, more Picatinny real estate, and better grip texture than factory models. This Compact Frame combines innovative ergonomics and features with a smaller form factor to provide the ultimate in shootability and comfortable concealment. Built with high-strength reinforced polymer construction, this frame comes stripped. This model features a more aggressive grip texture. PLEASE NOTE: Because this is a serialized 100% complete frame, it must be purchased through an FFL. 100% complete Stripped Frame Smaller form factor than factory G19s or G23s Made from high-strength reinforced polymer Accepts standard-capacity G19 and G23 mags Locking block rail system and rear rail module Aggressive grip texture Compatible with PF-Series™ Compact or Glock® Gen3 19/23 parts.

# PFC G19/23 Serialized Frame Safety Instructions

## Introduction

Thank you for choosing the PFC G19/23 Serialized Frame. This product is designed for home pistol builders who want to enhance the ergonomics and functionality of their Glock® 19 or 23. This safety instruction guide provides essential information to ensure safe usage, installation, and disposal of the frame. Please read this document carefully before use.

## General Safety Guidelines

- Always treat the firearm with respect and assume it is loaded until verified otherwise.
- Ensure that all safety measures are followed when handling firearms.
- Store the frame and any associated parts in a secure location, out of reach of children and unauthorized users.
- Regularly check for any recalls or safety notices regarding this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- This product is a serialized frame and must be purchased through a licensed Federal Firearms License (FFL) dealer.
- The frame is designed for use with Glock® Gen3 19/23 parts only. Using incompatible parts may result in malfunction or injury.
- Always wear appropriate safety gear, including eye protection and hearing protection, when operating firearms.
- Ensure that the grip texture of the frame is suitable for your hand size and grip style to avoid slippage during use.
- Be aware of your surroundings and ensure a safe environment when handling or firing the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the manufacturer's instructions for any parts being installed onto the frame.
- Ensure that you have the necessary tools for assembly.
- Follow these steps for installation:
  - Confirm that the frame is clear of any obstructions.
  - Attach the locking block rail system and rear rail module as per the manufacturer's guidelines.
  - Install the trigger assembly and ensure it is functioning correctly before proceeding.
  - Attach the grip and ensure it is securely fitted to the frame.

### 2. Usage:

- Always perform a safety check to confirm the firearm is unloaded before use.
- Familiarize yourself with the operation of the firearm and its components.
- Practice safe handling techniques, including keeping the muzzle pointed in a safe direction at all times.
- Only use ammunition that is compatible with the Glock® 19 or 23, specifically 9 mm Luger or 40 S&W.
- Maintain your firearm by cleaning and inspecting it regularly to ensure it is in safe working condition.

## **Disposal Instructions**

- Dispose of the frame and any other firearm components in accordance with local laws and regulations.
- If you wish to dispose of the frame, contact a licensed firearms dealer for guidance on proper disposal methods.
- Do not discard the frame in regular household waste.

## **Contact Information for Further Support**

For any inquiries or support regarding the PFC G19/23 Serialized Frame, please contact a licensed firearms dealer or the manufacturer directly. Ensure that you have your product details available for a more efficient response.

Please ensure you keep this safety instruction guide for future reference and share it with anyone who may use the PFC G19/23 Serialized Frame. Your safety and the safety of others is paramount. Thank you for your attention to these guidelines.
