Safety Instruction Guide for Lee Red 3 Die Replacement Box

Introduction

Thank you for purchasing the Lee Red 3 Die Replacement Box. This product is designed to safely store your rifle and pistol dies, ensuring they remain protected and organized. Please read this safety instruction guide carefully to understand how to use and maintain the product safely.

General Safety Guidelines

- Always keep the storage box out of reach of children to prevent accidents.
- Inspect the box regularly for any signs of damage or wear.
- Do not use the box for purposes other than storing dies.
- Ensure that the box is closed securely when not in use to prevent any items from falling out.
- Follow all local regulations regarding the storage of firearms and ammunition.

Specific Safety Precautions for Use

- Handle the box with care to avoid dropping it, which could cause damage to the box or the dies inside.
- Ensure that the dies stored in the box are clean and free from any debris to maintain their condition.
- Do not overload the box beyond its intended capacity of three dies.
- If the box shows any signs of cracking or breakage, discontinue use immediately and replace it.

Instructions for Installation and Usage

1. Unpacking the Box

- Carefully remove the box from its packaging.
- Inspect the box for any visible damage or defects.

2. Storing Dies

- Open the box by lifting the lid.
- Place the dies securely in the designated slots within the box.
- Ensure that each die is seated properly to avoid movement during transport.

3. Closing the Box

- After placing the dies inside, close the lid firmly to ensure it is secure.
- Store the box in a cool, dry place away from direct sunlight.

4. Transporting the Box

- When transporting, hold the box securely to prevent it from slipping from your hands.
- Avoid placing heavy objects on top of the box during transport.

Disposal Instructions

- When the box reaches the end of its useful life, dispose of it responsibly.
- Check local regulations for guidelines on disposing of plastic materials.
- If possible, recycle the box according to your local recycling program.

Contact Information for Further Support

For any inquiries regarding the safety or usage of the Lee Red 3 Die Replacement Box, please refer to the manufacturer's contact details available on the product packaging or website.

Conclusion

By following these safety guidelines, you can ensure the safe use and longevity of your Lee Red 3 Die Replacement Box. Always prioritize safety and keep informed about any product recalls or safety alerts. Thank you for choosing our product, and enjoy your safe and organized die storage!
