

IO AIMPOINT MICRO T-2 COVERS - TANGODOWN AIMPOINT MICRO T-2 IO COVER, BLACK

[Optics & Mounting](#) > [Optic Accessories](#) > [Protective Scope Covers](#)

Protect your T-2 lenses, and keep them clear of rain, snow, mud, or dust. The iO cover has integral lens covers and a protective armor body that can't fall off or get lost. Low profile design allows covers to be quickly operated with one hand. Covers nest together so they don't flop under recoil. Receptive to most spray paints and hydro dip processes. Fits Aimpoint™ T-2/H-2 Optics.

AIMPOINT MICRO T2 IO COVER, BLACK Safety Instruction Guide

Introduction

Thank you for purchasing the IO Aimpoint Micro T2 Covers by Tangodown. These protective covers are designed to safeguard your T2 lenses from environmental elements such as rain, snow, mud, and dust. This guide provides essential safety instructions to ensure proper use and maintenance of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Inspect the covers regularly for any signs of wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- If you notice any defects or malfunctions, discontinue use immediately.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- When operating the covers, ensure that your hands are dry to maintain a firm grip.
- Avoid exposing the covers to extreme temperatures or harsh chemicals that may degrade the material.
- Do not force the covers open or closed; use gentle pressure to avoid damage.
- Ensure that the covers are securely fitted to the optics to prevent accidental detachment during use.

Instructions for Installation and Usage

1. Installation:

- Remove any existing covers or protective layers from your Aimpoint T2 optics.
- Align the IO covers with the lens openings on the optics.
- Gently press the covers into place until they are securely fitted. Ensure that they do not obstruct the lens view.

2. Usage:

- To open the covers, use one hand to hold the optics steady while gently lifting the cover with your other hand.
- Ensure that the covers are fully opened and not obstructing your view before engaging the optics.
- After use, close the covers to protect the lenses from environmental factors.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, ensure that it is recycled or disposed of in an environmentally friendly manner.
- Do not throw the product in regular household waste.

Contact Information for Further Support

For any inquiries related to product safety or support, please reach out to the designated EU contact point provided with your product packaging or documentation.

By following these guidelines, you can ensure the safe use and longevity of your IO Aimpoint Micro T2 Covers. Thank you for choosing Tangodown.
