

ARES ETR UHD 4.5-30X56MM FFP ILLUMINATED RIFLE SCOPE - ARES ETR UHD 4.5-30X56MM FFP ILLUMINATED APRS1 MIL BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

Just when you thought Athlon couldn't improve the Ares BTR, well they did! The Ares ETR First Focal Plane Scope is loaded with features that will allow you to take your long range shooting to another level. Featuring a completely revamped turret system, the Ares ETR has a locking Windage turret along with a true zero stop on the elevation turret to make sure your turrets and shots are right on every time. Extra dispersion ED lenses allow for the sharpest and best color image possible. Constructed with an 34mm tube, this riflescope can withstand even the harshest of elements.

ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE Safety Instructions

Introduction

Thank you for choosing the ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE. This guide provides essential safety information to ensure safe and effective use of your riflescope. Please read these instructions carefully before use.

General Safety Guidelines

- **Product Safety:** This product is designed to ensure safe use during shooting activities. Always follow the safety guidelines to minimize risks.
- **Enhanced Recalls:** In the event of a product recall, you will be informed through standardized notices. Please stay updated on any safety communications.
- **Online Shopping:** If purchased online, ensure that the retailer adheres to safety regulations similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors.
- **EU Contact Point:** For safety inquiries, ensure you have access to an EU-based contact for support.
- **Rapid Alerts:** Stay informed about any unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Always use eye protection** when using the riflescope to prevent injury from recoil or debris.
- **Avoid using the scope in adverse weather conditions** that may impair visibility or safety.
- **Do not modify the riflescope** in any way, as this may compromise its safety and performance.
- **Ensure the riflescope is securely mounted** to your firearm to prevent accidents during use.
- **Be aware of your surroundings** and ensure a safe shooting environment, free from obstructions and unauthorized individuals.
- **Do not point the firearm or scope at anything you do not intend to shoot.**

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Mount the riflescope securely on the firearm's Picatinny or Weaver rail using the provided mounting rings.
- Tighten the mounting screws to the manufacturer's specifications to ensure stability.

2. Usage:

- Adjust the magnification by rotating the magnification ring to your desired level between 4.5x and 30x.
- Use the elevation and windage turrets to zero the scope according to your shooting requirements.
- Activate the illumination feature if needed, ensuring that the brightness level is suitable for your shooting environment.
- Always check the eye relief (3.90 inches) to ensure a safe and comfortable viewing position.

Disposal Instructions

- Dispose of the riflescope in accordance with local regulations for electronic and optical devices.
- Do not dispose of the product in regular household waste. Seek out designated recycling centers or collection points.

Contact Information for Further Support

For any inquiries regarding safety or performance, please refer to the manufacturer's website or customer service for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ARES ETR UHD 4.530X56MM FFP ILLUMINATED RIFLE SCOPE. Thank you for your attention to these important safety measures.
