

TRI-CAV 1911 TRIGGER - HARRISON DESIGN & CONSULTING TRI-CAV 1911 TRIGGER, BLACK, LONG

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Featuring the same design attributes that have made Harrison Design triggers a must-have on custom 1911s across the country, we are proud to release the newest Harrison Design trigger, the Tri-Cav! The Tri-Cav sets itself apart from the traditional H-D Extreme Service triggers with solid shoes, while still offering the same features you've grown to expect. Three lightening cavities are machined into the trigger shoe to lighten it and give it a special appearance. All Tri-Cav triggers are made with hardened stainless steel bows that are micro-polished to reduce friction. The Tri-Cav aluminum shoes are oversize in height allowing fitting to the individual pistol. The "B" trigger is treated with Black DLC coating, for an all-black trigger. The "N" trigger is natural aluminum and stainless steel for an all silver trigger. The face of the trigger shoe is smooth; free from serrations and holes for the over-travel screw that can chafe and abrade your trigger finger during long training sessions. The fixed over-travel stop is permanently locked in place so it can't creep in and render your pistol inoperative in an emergency. The initial adjustment to the over-travel stop is made by filing and re-testing until the correct amount of over-travel is achieved. Tri-Cav triggers are offered in long size only due to size constraints encountered. This trigger does not fit EMPs ! Note that fitting by a knowledgeable installer is required to install this part.

Attributes

- Name: [HARRISON DESIGN & CONSULTING TRI-CAV 1911 TRIGGER, BLACK, LONG](#)
- Manufacturer: [HARRISON DESIGN & CONSULTING](#)
- Product no.: 100032626
- Mfr. No.: HD-104-B
- Finish: Black
- Make: -
- Style: Long
- Delivery weight: 0.045kg
- Shipping height: 13mm
- Shipping width: 76mm
- Shipping length: 127mm

TRICAV 1911 Trigger Safety Instructions

Introduction

Thank you for purchasing the TRICAV 1911 Trigger by Harrison Design & Consulting. This guide provides essential safety instructions to ensure the safe use and installation of your new trigger. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the TRICAV 1911 Trigger is installed by a knowledgeable installer to prevent any potential hazards.
- Always handle firearms and firearm components with care and in accordance with local laws and regulations.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the trigger.
- Avoid using the trigger if you notice any irregularities or malfunctions during operation.
- Be aware of the fixed overtravel stop, which is designed to prevent unwanted trigger movement. Ensure it is properly adjusted.
- Do not modify the trigger or firearm in any way that could compromise safety.
- Use appropriate eye and ear protection when handling firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the appropriate tools for installation.
- Remove the existing trigger from your firearm, ensuring the firearm is unloaded.
- Carefully install the TRICAV 1911 Trigger according to the manufacturer's specifications.
- The initial adjustment to the overtravel stop should be made by filing and retesting until the desired amount of overtravel is achieved.
- Confirm that the trigger is securely installed and functions correctly before use.

2. Usage:

- Always practice safe firearm handling techniques.
- Familiarize yourself with the trigger's features and operation before using the firearm in a live environment.
- Conduct regular training sessions to maintain proficiency with the trigger and your firearm.

Disposal Instructions

- Dispose of the TRICAV 1911 Trigger in accordance with local regulations regarding firearm components.
- Do not discard the trigger in regular household waste. Instead, contact local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TRICAV 1911 Trigger, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety and compliance. Enjoy your new TRICAV 1911 Trigger responsibly!
