

ARCALOCK 14" UNIVERSAL DOVETAIL RAIL WITH BARRICADE STOP - AREA 419 ARCALOCK 14" UNIVERSAL ARCA SWISS RAIL WITH BARRICADE STOP

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

Precision Rail with 65 Locking Positions

Due to the rapid growth in popularity of ARCA rails in precision rifles, Area 419 saw a need to improve dovetail technology to something that could be mechanically locked in place instead of just friction. The Area 419 Arcalock 14" Universal Dovetail Rail with Barricade Stop has serrated rail sides with a proprietary clamp design to mechanically lock it in place so no movement is possible. Serrations on the rail are not sharp and will not damage bags or your hands. The rail features 65 Locking positions and is backwards compatible with standard Arca accessories. Made to the RRS 1.5" Dovetail Standard, so you can be sure lever clamps will work. Designed to attach to the rifle up to 4 places for maximum strength and stability. Extends past the end of most rifle stocks, allowing a further forward bipod attachment, increasing stability. Type 3 Hard Coat anodized for additional durability. Made from 6061-T6 Aluminum. While designed with Manners Composite Stocks in mind, this rail accommodates a multitude of rifle and stock configurations that have an accessible front action screw and some sort of front attachment point(s).

ARCALOCK 14" Universal Dovetail Rail with Barricade Stop Safety Instruction Guide

Introduction

Thank you for choosing the ARCALOCK 14" Universal Dovetail Rail with Barricade Stop from Area 419. This product is designed to enhance the stability and versatility of your precision rifle setup. It is crucial to read and understand the safety instructions provided in this guide to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always check for any visible damage or defects before installation or use.
- Follow all installation and usage instructions carefully.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the rail and its attachments for wear or damage.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use the rail with compatible rifle and stock configurations that allow for secure attachment.
- Ensure that the rail is properly locked in place before using the rifle.
- Avoid placing excessive force on the rail during use, as this may compromise its integrity.
- Do not attempt to modify the rail or its components in any way.
- Be cautious when handling the rail, as sharp edges may be present on some components.
- When using the rail for bipod attachment, ensure that the bipod is securely mounted to prevent accidents.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation, including a suitable wrench for tightening.
- Ensure that the rifle is unloaded and pointed in a safe direction during installation.

2. Installation Steps

- Locate the front action screw on your rifle.
- Align the ARCALOCK rail with the front action screw and any additional attachment points.
- Secure the rail using the provided clamps, ensuring that it is firmly locked in place.
- Verify that the rail is stable and does not move when pressure is applied.

3. Usage Guidelines

- When attaching accessories, ensure they are compatible with the rail and securely fastened.
- Avoid overtightening the clamps, as this may damage the rail or the rifle.
- Regularly check the tightness of the rail and any attached accessories during use.

4. PostUse Care

- After use, clean the rail and inspect it for any signs of wear or damage.
- Store the rail in a safe, dry place when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for aluminum and metal products.
- Avoid disposing of the product in regular household waste.
- If the product is damaged beyond repair, contact local waste management for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ARCALOCK 14" Universal Dovetail Rail with Barricade Stop, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your ARCALOCK 14" Universal Dovetail Rail. Thank you for your attention to safety.
