

# ARCALOCK CLAMP & BARRICADE STOP KIT - AREA 419 ARCALOCK ARCA SWISS CLAMP AND BARRICADE STOP KIT

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

## Clamp and Barricade Stop Kit

This kit includes the Area 419 Arcalock Clamp and the Barricade Stop. The clamp features a proprietary two-stage design. The clamping screw features two different thread pitches. The clamp directly bolts to Atlas Bipods using factory hardware. Clamp and knob machined in house from 6061-T6 Aluminum Screw is turned from 303 Stainless Steel Type III Hardcoat Black anodized clamp and Gold anodized knob Clamp is backwards compatible with standard ARCA rails by removing the two pins and will still work this way to give you infinite sliding adjustment on the ARCALOCK rail. Moving side of clamp is dovetailed on both sides to prevent tilt.

# ARCALOCK CLAMP & BARRICADE STOP KIT USER MANUAL

## Introduction

Thank you for purchasing the ARCALOCK Clamp & Barricade Stop Kit from Area 419. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before using the kit.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the kit before each use for any signs of damage or wear.
- Keep the kit out of reach of children and vulnerable individuals.
- Do not modify or alter the product in any way.
- Use appropriate personal protective equipment (PPE) when handling or installing the clamp.
- Follow all local laws and regulations regarding the use of this product.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- The clamp may pinch fingers if not handled properly.
- Improper installation may lead to equipment failure or injury.

- **Avoiding Hazards:**

- Always ensure that the clamp is securely fastened before use.
- Do not exceed the recommended weight capacity of the clamp.
- Ensure that all components are compatible before installation.
- Avoid using the clamp in extreme weather conditions that may affect its performance.

- **Agespecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### 1. Installation:

- Gather all necessary tools, including a wrench for tightening screws.
- Ensure that the area is clean and free from obstructions.
- Align the clamp with the mounting points on your Atlas Bipod.
- Use the factory hardware to bolt the clamp securely.
- Check that the clamp is properly aligned and tighten the screws.

### 2. Usage:

- Adjust the clamp to fit your equipment by loosening the knob and sliding the clamp into the desired position.
- Once in position, tighten the knob to secure the clamp.
- If using with standard ARCA rails, remove the two pins to enable compatibility.
- Regularly check the tightness of the clamp during use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Separate metal components for recycling when possible.
- Do not dispose of the product in general waste.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the ARCALOCK Clamp & Barricade Stop Kit, please refer to the contact information provided by your retailer or manufacturer. Always ensure that you have the product details ready for any inquiries.

Thank you for choosing the ARCALOCK Clamp & Barricade Stop Kit. Your safety is our priority. Please use this product responsibly and in accordance with the guidelines outlined in this manual.
