

# ADJUSTABLE SIGHTS FOR GLOCK® - L.P.A. SIGHTS FULLY ADJUSTABLE SIGHT SET, FIBER OPTIC F/R

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

## Quality Sights for Your Favorite Glock

Keeping your pistol on target requires having sights you can count on. LPA Adjustable Sights for Glock are designed for use on one of the most-popular pistol platforms in America, ensuring that owners of Glock handguns have easily seen sights. Each pair of LPA Adjustable Sights are designed to fit a range of Glock handguns, ranging from the G17 to the G23, as well as the G25 through the G41. Each sight pair includes a blacked-out rear sight leaf paired with a bright-red, fiber-optic front sight that directly replaces the Glock factory sights. The rear sight included with the LPA Adjustable Sights is built with a low-profile design that aids in reholstering, and the sight pair offers a great option for everything from target-shooting to personal-defense use.

# Safety Instruction Guide for ADJUSTABLE SIGHTS FOR GLOCK® L.P.A. SIGHTS FULLY ADJUSTABLE SIGHT SET, FIBER OPTIC F/R

## Introduction

Thank you for choosing the L.P.A. Adjustable Sights for Glock. These sights are designed to enhance your shooting experience by providing clear visibility and accuracy. It is essential to follow the safety guidelines outlined in this document to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Familiarize yourself with local laws and regulations regarding firearm accessories.
- Use the sights only on compatible Glock models (G17 to G23, G25 to G41).
- Keep the sights clean and free from obstructions.
- Store the firearm and sights in a secure location, away from children and unauthorized users.

## Specific Safety Precautions for Use

- Do not modify the sights or attempt to use them in any way other than intended.
- Regularly inspect the sights for any signs of wear or damage before use.
- If you notice any issues with the sights, discontinue use immediately and seek assistance.
- Always wear appropriate eye protection when using firearms equipped with these sights.
- Be aware of your surroundings and ensure that you have a clear shooting area.

## Instructions for Installation and Usage

### Installation

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver and any other required equipment.
2. **Remove Factory Sights:** Carefully remove the existing Glock factory sights using the appropriate tools.
3. **Install Rear Sight:** Align the blackedout rear sight leaf with the mounting slot on the slide. Secure it in place according to the manufacturer's instructions.
4. **Install Front Sight:** Align the brightred fiberoptic front sight with the designated area and secure it in place.
5. **Check Alignment:** Once both sights are installed, check for proper alignment. Make any necessary adjustments to ensure they are straight and centered.
6. **Test Functionality:** Before using the firearm, test the sights to ensure they are securely attached and functioning correctly.

### Usage

- Aim with both eyes open to utilize the full benefits of the fiberoptic front sight.
- Adjust your stance and grip to ensure stability while aiming.
- Practice regularly to become familiar with the new sight system.

## Disposal Instructions

- Dispose of any damaged or nonfunctional sights in accordance with local regulations.

- Do not throw sights in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the L.P.A. Adjustable Sights, please refer to the manufacturer's contact information provided with your product. It is important to reach out to them for assistance with safety inquiries or productrelated issues.

By following these guidelines, you can ensure a safe and enjoyable experience with your L.P.A. Adjustable Sights for Glock. Always prioritize safety and responsibility when handling firearms and their accessories.
