## Lightens Up Your Pistol Caliber Carbine

So much of the weight of any carbine is often found in the barrel, and this fact led to many consumers clamoring for an ultralight barrel for their 9mm carbines and AR pistols. Foxtrot Mike Products stepped up with its Mike-9 9mm Ultralight Barrels. Each of Foxtrot Mike Products' Mike-9 9mm Ultralight Barrels are machined from 41V50 chrome-moly vanadium steel and are finished to provide match-grade accuracy and precision, thanks to a button-rifling process that cuts a 1:10-inch twist rate designed to stabilize all 9mm projectiles. All-black finish Barrel length: 16, 8.5 or 7 inches Features 1/2-36 TPI threaded muzzle Salt bath nitrided QPQ/Melonite finish Each barrel is machined with 1/2-36 TPI muzzle threads, designed for compatibility with most of today's muzzle devices and suppressors. Foxtrot Mike Products Mike-9 9mm Ultralight Barrels are built to work with all Colt- and Glock-style 9mm upper receivers and are machined with integrated feed ramps.

# Safety Instruction Guide for AR15 MIKE9 ULTRALIGHT BARREL 9MM

## Introduction

Thank you for choosing the AR15 MIKE9 Ultralight Barrel 9MM from Foxtrot Mike Products. This guide provides essential safety instructions to ensure the safe and effective use of your firearm component. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that all safety precautions are observed when handling firearms and firearm components.
- Always treat every firearm as if it is loaded, even if you believe it is not.
- Keep firearms out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling or firing firearms.
- Familiarize yourself with the local laws and regulations regarding firearm ownership and usage.
- Regularly inspect your barrel and firearm for signs of wear or damage. Do not use if damaged.
- Store your firearm and its components in a secure location to prevent unauthorized access.

## Specific Safety Precautions for Use

- Ensure that the barrel is compatible with your firearm before installation.
- Use only 9mm Luger ammunition with this barrel.
- Avoid using reloaded or damaged ammunition.
- Do not exceed the recommended barrel length for your firearm model.
- Always perform a function check after installation to ensure proper operation.
- Do not modify the barrel or any other firearm components without consulting a qualified gunsmith.
- If you experience any malfunctions while using the barrel, stop using it immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Align the new AR15 MIKE9 Ultralight Barrel with the upper receiver.
- Securely fasten the barrel using the provided hardware, ensuring that it is properly torqued to specifications.
- Reattach any components that were removed during the installation process.
- Perform a visual inspection to confirm that all parts are correctly installed.

### 2. Usage

- Always wear appropriate PPE before firing.
- Load your firearm only when you are ready to shoot.
- Ensure the firing area is clear of people and obstacles.
- Follow all standard operating procedures for firing your firearm.
- After use, clean the barrel and firearm according to the manufacturer's guidelines to maintain performance and safety.

## **Disposal Instructions**

- Dispose of any damaged or worn barrels in accordance with local laws and regulations.
- Do not dispose of firearms or firearm components in regular household waste.
- Consider contacting a local firearms dealer or law enforcement agency for proper disposal options.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding your AR15 MIKE9 Ultralight Barrel 9MM, please consult the manufacturer's customer support or your local firearms expert.

This safety instruction guide is designed to ensure the safe use of your product in compliance with EU General Product Safety Regulations. Always prioritize safety and seek professional assistance when needed.
