Safety Instruction Guide for LARGE FAT BAGS

ARMAGEDDON GEAR LARGE FAT BAG, MULTICAM

Introduction

Thank you for choosing the Armageddon Gear Large Fat Bag, a versatile and ultralight solution for riflemen seeking support for their weapons and bodies in the field and on the range. This guide provides essential safety instructions to ensure the safe and effective use of your product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the product.
- Always inspect the Fat Bag for any signs of damage or wear before use.
- Use the Fat Bag only for its intended purpose as described in this manual.
- Keep the Fat Bag out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe product incidents or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the Fat Bag to avoid damage or failure.
- Ensure that the Fat Bag is securely fastened before use to prevent it from slipping or falling.
- Avoid using the Fat Bag in extreme weather conditions, such as heavy rain or snow, which may affect its performance.
- Be cautious when using the Fat Bag near sharp objects or rough surfaces to prevent punctures or tears.
- Always use the provided attachment methods (Velcro straps, Bungee Gear Lanyard) as instructed to ensure safety and security.

Instructions for Installation and Usage

1. Preparation:

- Unpack the Fat Bag and check for any visible defects.
- Familiarize yourself with the features, including the Cordura nylon outer shell and airweight beads.

2. Attachment:

- Use the dual elastic straps to secure the Fat Bag to your body or equipment.
- Adjust the straps as necessary for a snug fit.
- The straps can be detached on one end for quick removal if needed.

3. Usage:

- Position the Fat Bag where you require support, whether for your weapon or as a body rest.
- Ensure that the Fat Bag is stable and secure before applying any weight or using it for support.
- Utilize the Bungee Gear Lanyard to attach the Fat Bag to belt loops or equipment for added convenience.

4. Maintenance:

- Regularly inspect the Fat Bag for signs of wear or damage.
- Clean the exterior with a damp cloth as needed, avoiding harsh chemicals.

Disposal Instructions

- Dispose of the Fat Bag responsibly in accordance with local waste disposal regulations.
- If the Fat Bag is damaged beyond use, consider recycling the materials where possible.
- Do not burn the Fat Bag as it may release harmful substances.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the contact details provided by the manufacturer or your retailer. Always ensure you have the product information available for reference.

By following these safety instructions, you can ensure the safe and effective use of your Armageddon Gear Large Fat Bag. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
