

CLEANING ROD STORAGE RACK WITH WALL MOUNT BLACK

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Racks](#)

The Perfect Solution for Storing Your Cleaning Rods

Have a pile of cleaning rods leaning up in the corner of your shop? Piled on your bench? Get them organized and stored neatly with the Area 419 Cleaning Rod Storage Rack. This easy, add-on product will take your shop to the next level and comes with a wall mount included, so all you have to do is install it! Each Area 419 Cleaning Rod Storage Rack is machined from 6061-T6 aluminum and features cutouts for six cleaning rods and 12 jags or brushes. The rods slide into the cutouts, and tapered counterbores enable each rod handle to settle in and stay secured. An included tray allows users to store small, miscellaneous components. Each storage rack measures 9.5 inches x 4 inches.

Cleaning Rod Storage Rack Safety Instructions

Introduction

Thank you for choosing the Area 419 Cleaning Rod Storage Rack with Wall Mount. This product is designed to help you organize your cleaning rods and jags or brushes safely and efficiently. To ensure safe use and compliance with European safety regulations, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use the cleaning rod storage rack as intended.
- Ensure the rack is securely mounted to the wall to prevent accidents.
- Regularly inspect the rack for any signs of wear or damage.
- Keep the storage area clean and free from clutter to avoid tripping hazards.
- Store the rack out of reach of children and vulnerable individuals.
- If you notice any defects or safety concerns, stop using the product immediately and report it to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure the wall where the rack will be mounted is strong enough to support the weight of the cleaning rods and accessories.
- Use appropriate tools and hardware for installation, as specified in the installation instructions.
- Avoid overloading the rack beyond its intended capacity (six cleaning rods and 12 jags or brushes).
- Do not use the rack for any purpose other than storing cleaning rods and related accessories.
- Be cautious when handling cleaning rods and jags or brushes, as they may have sharp edges.

Instructions for Installation and Usage

1. Installation Instructions:

- Choose a suitable location on the wall that is easily accessible and away from high traffic areas.
- Use a level to mark where the top of the rack will be positioned.
- Drill holes into the wall at the marked locations, ensuring they are appropriate for the wall type (drywall, concrete, etc.).
- Secure the rack to the wall using the provided mounting hardware.
- Doublecheck that the rack is firmly attached and does not wobble.

2. Usage Instructions:

- Slide the cleaning rods into the designated cutouts of the rack.
- Place jags or brushes into the appropriate slots, ensuring they are secure.
- Use the included tray to store small components safely.
- Regularly check that all items are properly stored and that the rack remains securely mounted.

Disposal Instructions

- When the cleaning rod storage rack is no longer needed, dispose of it responsibly.
- Check local regulations for guidelines on disposing of aluminum and other materials.
- If the product is damaged, ensure it is recycled or disposed of in a way that does not pose a risk to the environment.

Contact Information for Further Support

For any inquiries or concerns regarding the safety or use of this product, please reach out to your local EU contact point or relevant consumer safety authority. Always stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for ensuring a safe and organized environment with the Area 419 Cleaning Rod Storage Rack.
