

ACCURACY INTERNATIONAL PRE-FIT CARBON FIBER BARRELS - PROOF RESEARCH 338 LAPUA 1-9.4 TWIST 26" M30 CARBON FIBER BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Accuracy International Chassis Systems bring ergonomic and functional benefits that are delivered with degrees of modularity and configurability that cannot be achieved with any traditional stock. AI pre-fits are available for both 27mm and 30mm tenon sizes. Up to 64% lighter than traditional steel barrels of similar contour. Improved heat dissipation for cooler and longer lasting barrels. Wrapped with high-strength, aerospace-grade carbon fiber impregnated with a proprietary matrix resin. PROOF Research Pre-Fit Accuracy International barrels are quick and easy to install on the AI platform and require no specialized gunsmithing. PROOF Research drop-in barrels for the AI chassis come threaded and chambered in a variety of different lengths and twist rates.

Attributes

- Name: [PROOF RESEARCH 338 LAPUA 1-9.4 TWIST 26" M30 CARBON FIBER BARREL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 100033635
- Mfr. No.: 109373
- Barrel Weight: 3.75 lbs
- Cartridge: 338 Lapua
- Contour: M30
- Finish: Carbon Fiber
- Length: 26"
- Model: AXMC
- Muzzle Threads: 5/8-24
- Twist: 1-9.4
- Weapon type: Accuracy International
- Delivery weight: 1.912kg
- Shipping height: 76mm
- Shipping width: 89mm
- Shipping length: 838mm

Safety Instruction Guide for Accuracy International PreFit Carbon Fiber Barrels

Introduction

Thank you for choosing the Accuracy International PreFit Carbon Fiber Barrels by PROOF Research. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new barrel. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that you are familiar with firearms safety principles and handling procedures.
- Always treat every firearm as if it is loaded.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when using firearms.
- Regularly inspect your barrel and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Do not exceed the recommended cartridge specifications for your barrel.
- Ensure that the barrel is properly installed and securely attached to the firearm before use.
- Avoid using damaged or worn components in conjunction with your barrel.
- Be aware of the muzzle direction at all times to prevent accidental discharge.
- Never attempt to modify or alter the barrel in any way.
- If you experience any malfunctions or unusual behavior during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Remove the Existing Barrel:

- Follow the manufacturer's instructions for disassembling your firearm.
- Carefully remove the existing barrel from the action.

3. Install the New Barrel:

- Align the new Accuracy International PreFit Carbon Fiber Barrel with the action.
- Handtighten the barrel to the action until secure.

4. Check Alignment:

- Ensure that the barrel is properly aligned and seated.
- Confirm that the muzzle threads are clean and free of debris.

5. Final Tightening:

- Use appropriate tools to securely tighten the barrel according to the manufacturer's specifications.
- Do not overtighten, as this may cause damage.

6. Check Functionality:

- After installation, perform a function check of the firearm to ensure proper operation.

Usage

- Follow standard operating procedures for your firearm.
- Use only recommended ammunition types and specifications for the barrel.
- After each use, clean the barrel according to the manufacturer's guidelines to maintain performance and longevity.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations for hazardous waste.
- If the barrel is damaged beyond repair, consult local authorities for proper disposal methods.
- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please refer to the manufacturer's website or contact their customer support. Ensure you have your product details available for assistance.

Please be aware that this guide is intended to provide essential safety instructions and may not cover every possible scenario. Always prioritize safety and consult professionals when in doubt.
