# QD Sling Loop Safety Instruction Guide

## Introduction

Thank you for choosing the QD Sling Loop. This product is designed to enhance your tactical experience by providing a secure and versatile attachment point for slings. Please read this safety instruction guide carefully to ensure safe and effective use of the QD Sling Loop.

## General Safety Guidelines

- Always inspect the QD Sling Loop for any signs of wear or damage before each use.
- Ensure that the mount is securely attached to the firearm before use.
- Do not exceed the weight limit specified for the QD Sling Loop.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to accidental detachment.
- Use with incompatible slings or attachments may cause failure.

- **Avoiding Hazards:**

- Ensure that the QD Sling Loop is compatible with your sling type (QD sling or HK style snap hook).
- Do not use the QD Sling Loop if it shows any signs of damage, such as cracks or deformities.
- Avoid using excessive force during installation or removal to prevent damage.
- Regularly check the tightness of the mount to ensure secure attachment.

- **Age Specific Warnings:**

- This product is not intended for use by children. Ensure adult supervision during installation and use.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate side of the Whiskey3 Gen 35 buttstock, Gen 4 and 5 forend, or Xray buttstock for mounting.
- Align the QD Sling Loop with the mounting point and insert it firmly.
- Rotate the QD Sling Loop until it clicks into place, indicating a secure fit.
- If using with KRG Spigot mounts, follow the same alignment and insertion process.

### 2. Usage:

- Attach your QD sling or HK style snap hook to the QD Sling Loop.
- Ensure that the sling is securely attached and that there is no play or movement.
- When using the QD Sling Loop, maintain awareness of your surroundings to avoid snagging or entanglement.

## **Disposal Instructions**

- Dispose of the QD Sling Loop in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or unusable. Check for local recycling programs or hazardous waste disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the QD Sling Loop, please consult your retailer or manufacturer. Ensure that you have the product details ready for any assistance required.

By following these guidelines, you will enhance your safety and experience while using the QD Sling Loop. Thank you for your attention to these important safety instructions.
