

# TRIPLE WEDGE SHOOTING REST - EBERLESTOCK TRIPLE WEDGE SHOOTING REST-BLACK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

## Professional Sniper Designed Rifle-Butt Rest

The Eberlestock Triple Wedge Shooting Rest is a rifle-butt rest developed by a professional sniper—it is their proprietary take on the traditional "happy sock." Filled with just the right amount of polystyrene beads, the Triple Wedge is as close to weightless as a shooting-aid can get, yet provides firm support for your rifle. Easy to manipulate, it combines a handy size and innovative ramp shape. By changing the orientation you choose from three different wedge sizes to get the rough elevation support you need. Then, small lateral movements combined with flexing the bag with your hand allow for fine tuning, giving you precise control over the amount of rear-end support. Color: Black, Dry Earth Material: 1000 Denier Cordura Style: Wedge This simple system provides for an infinite range of fine elevation changes, from near-ground to 5 ½ inches Made of 1000 denier nylon, with 25mm webbing straps on three of its sides. Use the latter to hang it from your pack or range bag, or simply sling it over your rifle barrel if you need to make a quick movement.

## Attributes

- Name: [EBERLESTOCK TRIPLE WEDGE SHOOTING REST-BLACK](#)

# Eberlestock Triple Wedge Shooting Rest Safety Instructions

## Introduction

Thank you for choosing the Eberlestock Triple Wedge Shooting Rest. This product is designed to provide stable support for your rifle, enhancing your shooting experience. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Ensure that the shooting rest is used only for its intended purpose as a riflebutt rest.
- Always check the shooting rest for any damage before use. Do not use if damaged.
- Keep the shooting rest out of reach of children and vulnerable individuals when not in use.
- Use the shooting rest in a safe environment, away from distractions and hazards.
- Follow all local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- **Weight Limitations:** Do not exceed the weight limit of the shooting rest. Ensure your rifle is within the safe weight range for optimal stability.
- **Surface Stability:** Use the shooting rest on a flat, stable surface to prevent tipping or sliding.
- **Proper Handling:** Always handle the shooting rest with care. Avoid dropping or throwing it as this may cause damage.
- **Environmental Conditions:** Avoid using the shooting rest in extreme weather conditions, such as heavy rain or strong winds, which may affect stability.
- **Monitor Usage:** If using the shooting rest for extended periods, periodically check its position and stability.

## Instructions for Installation and Usage

### 1. Setting Up the Shooting Rest:

- Place the shooting rest on a stable, flat surface.
- Ensure the rest is oriented correctly to match your shooting position.

### 2. Adjusting the Wedge Size:

- Change the orientation of the shooting rest to select from three different wedge sizes.
- Choose the appropriate wedge size based on the elevation support needed for your shooting position.

### 3. Fine Tuning:

- Use small lateral movements combined with your hand to flex the bag for precise control over rearend support.
- Adjust as necessary to achieve the desired stability for your rifle.

### 4. Transporting the Shooting Rest:

- Use the 25mm webbing straps on three sides to hang it from your pack or range bag.
- Alternatively, sling it over your rifle barrel for easy transport.

## Disposal Instructions

- When disposing of the shooting rest, follow local regulations regarding the disposal of textile materials.
- If the product is no longer usable, consider recycling the materials if possible.
- Do not dispose of the product in regular household waste if it can be recycled.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's website or contact their customer support directly.

By following these safety instructions, you can ensure a safe and effective experience with your Eberlestock Triple Wedge Shooting Rest. Thank you for your attention to safety and responsible shooting practices.
