

CONDITION ONE MODULAR MOUNTS - BADGER ORDNANCE 35MM 1.54" 0 MOA MODULAR MOUNT, TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

An Optics Mount Made for Maximizing Rifle Real Estate

Thanks to a huge increase in the number of optics and accessories designed for rifle platforms, today's shooters have more options than ever before to enhance their platform. The Badger Ordnance Condition One Modular Mount is designed to aid riflshooters in maximizing mounting option on their go-to rifle. Each Badger Ordnance Condition One Modular Mount operates as a centralized mounting position for different rifle attachments and is designed to prevent the deflection experienced on optics and lasers that are usually mounted directly to a handguard. One of the stand-out features of the Badger Ordnance Condition One Modular Mount is the use of a 1.70-inch bore offset, which matches the height of commonly used 1/3 red-dot mounts. This aids shooters using night-vision gear and also maintains the same cheek hold as shooters who've trained on 1/3 mounts. Options are available in 30mm, 34mm and 35mm rings and can be had in either 0 or 20 MOA of elevation.

Attributes

- Name: [BADGER ORDNANCE 35MM 1.54" 0 MOA MODULAR MOUNT, TAN](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 100034639

Safety Instruction Guide for Badger Ordnance Condition One Modular Mount

Introduction

Thank you for choosing the Badger Ordnance Condition One Modular Mount. This mount is designed to enhance your rifle platform by providing a stable and versatile mounting option for optics and accessories. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified by the manufacturer.
- Always inspect the mount and its components for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you encounter any issues with the mount, discontinue use immediately and seek assistance.
- Be aware of the environment in which you are using the mount, ensuring it is suitable for safe operation.

Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to your rifle before use.
- Avoid overtightening the mount, as this may cause damage to the mount or your rifle.
- Do not exceed the recommended weight limits for attachments mounted on the modular mount.
- Use only compatible optics and accessories as specified by the manufacturer.
- When using nightvision gear, ensure proper alignment and secure attachment to prevent accidents.
- Be cautious of the mount's height when aiming, as improper alignment may affect accuracy.

Instructions for Installation and Usage

1. Installation:

- Begin by ensuring that your rifle is unloaded and pointed in a safe direction.
- Select the appropriate ring size (30mm, 34mm, or 35mm) based on your optic.
- Align the mount with the rifle's Picatinny or Weaver rail, ensuring a secure fit.
- Use the provided screws to attach the mount, tightening them evenly to avoid misalignment.
- Check the alignment of the mount before attaching any optics.

2. Usage:

- Attach your optic or accessory to the mount according to the manufacturer's instructions.
- Ensure that all fasteners are securely tightened before use.
- Test the stability of the mount by gently shaking the rifle to confirm that there are no loose components.
- When ready to shoot, maintain a proper cheek weld to ensure consistent aim.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste and materials.
- Do not discard the mount in regular household waste.
- If the product is damaged beyond repair, contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, usage, or troubleshooting, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure you have the product details at hand for a quicker resolution.

By following these safety instructions, you can ensure a safe and effective experience with your Badger Ordnance Condition One Modular Mount. Thank you for your attention to these important safety guidelines.
