

# CONDITION ONE MICRO SIGHT ADAPTERS - BADGER ORDNANCE MICRO SIGHT MOUNT FOR LEUPOLD DPP BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Handgun Bases](#)

## Add a Micro Reflex Sight to Your Badger Mount

The Badger Ordnance Condition One Modular Mount is designed to provide rifle owners with a centralized mounting location for their optics and accessories. The addition of the company's C.O.M.M. Micro Sight Adapter allows users to mount many of today's popular reflex optics. Mounts are available in black or tan finishes and are sized to fit the Aimpoint T1/T2, Leupold DeltaPoint Pro or the Trijicon RMR. Each mount is machined from a single piece of aluminum for durability and strength.

## Attributes

# Safety Instruction Guide for Condition One Micro Sight Adapters

## Introduction

Thank you for choosing the Badger Ordnance Condition One Micro Sight Adapters. This guide provides essential safety instructions and usage guidelines to ensure a safe and effective experience with your product. It is important to read and understand this manual before installation and use.

## General Safety Guidelines

- Always handle the product with care to prevent injury.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Stay informed about any recall updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use the adapter only with compatible optics, such as Aimpoint T1/T2, Leupold DeltaPoint Pro, or Trijicon RMR.
- Do not exceed the recommended weight limit for mounted optics.
- Ensure the mount is securely attached before use to prevent detachment during operation.
- Avoid using the product in extreme weather conditions unless specified as suitable.
- Always follow the manufacturer's instructions for the installation of optics on the mount.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools, including a screwdriver suitable for the mount screws.
- Ensure you have a clean, stable work surface to perform the installation.

### 2. Installation Steps

- Remove the mount from its packaging and inspect it for any visible defects.
- Align the mount with the designated mounting location on your rifle.
- Use the provided screws to secure the mount. Ensure they are tightened firmly but do not overtighten, which may damage the mount or the rifle.
- Attach the compatible optic to the mount, following the specific instructions provided with the optic.
- Doublecheck that all components are securely attached before use.

### 3. Usage Guidelines

- Always check the stability of the mount and optic before each use.
- Familiarize yourself with the adjustments and settings of your optic to ensure proper functionality.
- Practice safe handling and storage of your rifle with the mounted optic.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic waste and materials.
- Do not dispose of the product in regular household waste.
- Consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the Badger Ordnance Condition One Micro Sight Adapters, please refer to the manufacturer's website or customer support for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your Condition One Micro Sight Adapters. Thank you for your attention to these important details.
