

BOLT-ACTION 284 CALIBER CARBON FIBER BARRELS - PROOF RESEARCH 284 CALIBER 1-8 TWIST 26" CARBON FIBER SENDERO BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

Your bolt-action barrel will arrive ready for thread and chamber by your gunsmith. Up to 64% lighter in comparison to traditional barrels, the crew of PROOF Research has done carbon barrels above and beyond all others with their neurotic pursuit of perfection. These carbon fiber barrels are 10 times stronger than steel by weight and nearly impervious to weather, nicks, dings or scratches. These carbon fiber-wrapped barrels provide a high end alternative to traditional barrels while still maintaining extreme accuracy, performance and durability. Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration

BOLTACTION 284 CALIBER CARBON FIBER BARRELS CONSUMER SAFETY INSTRUCTIONS

Introduction

Congratulations on your purchase of the BOLTACTION 284 CALIBER CARBON FIBER BARREL from PROOF Research. This guide provides essential safety instructions to ensure the safe use of your new barrel. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that all safety measures are followed when handling firearms and firearm components.
- Always treat your firearm as if it is loaded.
- Keep firearms out of reach of children and unauthorized users.
- Use only the recommended ammunition specified for your barrel.
- Regularly inspect your barrel for any signs of damage or wear.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- **Installation Safety:**
 - Always have your barrel installed by a qualified gunsmith.
 - Ensure that the firearm is unloaded before installation.
- **Handling:**
 - Do not point the firearm at anything you do not intend to shoot.
 - Keep your finger off the trigger until you are ready to fire.
- **Shooting Safety:**
 - Wear appropriate eye and ear protection while shooting.
 - Avoid shooting in adverse weather conditions that could affect performance.
- **Storage:**
 - Store your firearm in a secure location, preferably in a locked safe.
 - Ensure that the barrel is cleaned and maintained regularly.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that you have the necessary tools and equipment for installation.
 2. Verify that the firearm is unloaded and secure before beginning installation.
 3. Follow the gunsmith's instructions for threading and chambering the barrel.
 4. After installation, perform a function check to ensure proper operation.
- **Usage:**
 - Use only 284 Winchester cartridges with your barrel.
 - Monitor the barrel temperature during extended shooting sessions to prevent overheating.
 - Be aware of the reduced harmonic barrel vibration, which may affect shooting dynamics.

Disposal Instructions

- Dispose of your barrel according to local regulations regarding firearm components.
- If the barrel is damaged beyond repair, contact a qualified firearms disposal expert.
- Do not discard the barrel in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding your BOLTACTION 284 CALIBER CARBON FIBER BARREL, please consult your local firearms dealer or manufacturer's representative.

Thank you for prioritizing safety while using your new barrel. By following these guidelines, you can ensure a safe and enjoyable shooting experience.
