

GRIPSTOP M-LOK ALUMINUM - TRUE NORTH CONCEPTS GRIPSTOP-K ALUMINUM M-LOK BLACK

[Rifle Parts](#) > [Grip Parts](#) > [Foregrips](#)

Proven in Combat to Properly Correct Shooter Ergonomics

The original GripStop was first released in 2013 after years of research and design. Created by a Marine combat veteran, the GripStop will benefit a wide variety of different shooting styles and firearm types. Built from rugged 6061 T6 aluminum and MilSpec anodized, the GripStop is smaller than a vertical grip, but larger than a hand stop. Lightweight and streamlined, the GripStop was the first product to properly address correct shooter ergonomics. The unique serrated front radius allows the shooter to “pull” the firearm rearward into the shoulder pocket and maintain a solid purchase on the gun with the support hand. This feature also works great as a barrier-stop against walls, rock, automotive frames, and barricades. The GripStop has been combat-proven by American Special Operations Forces and Marines in multiple combat theaters and will survive the toughest abuse. GripStop comes in a Standard length along with a ‘K’, or small, length versions in Black or Earth Brown. Fits the Magpul M-LOK mounting interface Rugged 6061-T6 Aluminum construction MilSpec Type III anodized finish This product is made with pride in the U.S.A. and holds a lifetime, “no questions asked” free replacement guarantee.

GripStop MLOK Aluminum Safety Instructions

Introduction

Thank you for choosing the GripStop MLOK Aluminum by True North Concepts. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to understand how to use the GripStop safely and effectively.

General Safety Guidelines

- Always ensure that the firearm is unloaded before attaching or detaching the GripStop.
- Use the GripStop only with compatible firearms and MLOK mounting interfaces.
- Inspect the GripStop regularly for any signs of wear or damage. Do not use if damaged.
- Keep the GripStop and all firearm accessories out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the authorities and check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limit for attachments on the GripStop.
- Ensure that the GripStop is securely mounted to prevent it from becoming loose during use.
- Avoid using the GripStop in extreme conditions that could affect its structural integrity, such as excessive heat or cold.
- Use the GripStop as intended. It is not designed for any other purpose.
- If you experience any discomfort while using the GripStop, discontinue use immediately and seek advice from a professional.

Instructions for Installation and Usage

1. Installation

- Verify that your firearm has an MLOK mounting interface.
- Align the GripStop with the desired mounting location on your firearm.
- Insert the provided screws through the GripStop into the MLOK slots.
- Tighten the screws securely, ensuring that the GripStop is firmly attached.

2. Usage

- When using the GripStop, place your support hand on the front radius to maintain control.
- Use the GripStop to pull the firearm into your shoulder pocket for better stability.
- Utilize the GripStop as a barrierstop against various surfaces, such as walls and barricades.
- Always practice safe shooting habits and follow all local laws and regulations regarding firearm use.

Disposal Instructions

- Dispose of the GripStop in accordance with local regulations.
- If the product is damaged, contact your local waste management facility for proper disposal methods.
- Do not dispose of the GripStop in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details

provided with your product packaging.

Thank you for choosing the GripStop MLOK Aluminum. Your safety and satisfaction are our top priorities. Please use this product responsibly and enjoy your shooting experience.
