

PUMP PILLOW - WIEBAD PUMP PILLOW OD GREEN

[Home](#)

Eliminate Strain in Your Shooting Position

In many popular competitions, like Precision Rifle Series or Precision Rimfire, competitors have found that filling gaps in their joints works to build a more-solid shooting position. The WieBad Plump Pillow allows shooters to fill in these gaps and reduce strain. Appearing like a miniature pillow, the WieBad Plump Pillow can be used as a buffer or a filler between different parts of the body, allowing shooters to keep their arms or legs positioned farther out than otherwise would be comfortable. Each WieBad Plump Pillow measures 9 x 11 x 7 inches and weighs 1 pound, 4 ounces. Available colors are Coyote, OD Green, Black and MultiCam.

PUMP PILLOW WIEBAD PUMP PILLOW OD GREEN

Safety Instruction Guide

Introduction

Thank you for choosing the WieBad Pump Pillow. This product is designed to enhance your shooting experience by providing support and stability during use. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always inspect the product before use for any signs of damage or wear.
- Ensure that the WieBad Pump Pillow is used only for its intended purpose as a shooting support.
- Keep the product out of reach of children and vulnerable individuals when not in use.
- Do not use the product in any manner that is inconsistent with the instructions provided.
- If you notice any defects or issues with the product, discontinue use immediately and report the problem.

Specific Safety Precautions for Use

- Avoid using the Pump Pillow in wet or damp conditions to prevent slipping.
- Do not overinflate the Pump Pillow; excessive pressure may cause damage.
- When using the Pump Pillow as a support, ensure it is stable and secure before applying weight.
- Be cautious of surrounding objects and ensure that the shooting area is clear of hazards.
- If you are unfamiliar with using shooting supports, consider seeking guidance from a knowledgeable individual.

Instructions for Installation and Usage

1. Preparation:

- Remove the WieBad Pump Pillow from its packaging.
- Inspect the pillow for any damage or defects.

2. Inflation:

- Locate the inflation valve.
- Use a pump or your mouth to inflate the pillow gently. Do not overinflate.
- Ensure that the valve is securely closed after inflation.

3. Placement:

- Position the Pump Pillow in the desired location, ensuring a stable surface.
- Use the pillow to fill gaps between your body and the shooting platform for added support.

4. Usage:

- Adjust your shooting position as necessary to utilize the support effectively.
- Maintain awareness of your surroundings and ensure that you are in a safe shooting environment.

5. PostUse Care:

- Deflate the pillow after use by opening the valve and allowing air to escape.
- Clean the surface of the Pump Pillow with a damp cloth if necessary.
- Store the pillow in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the WieBad Pump Pillow in accordance with local regulations for plastic and textile waste.
- If the product is damaged beyond repair, ensure it is disposed of in a manner that prevents any potential harm to the environment.

Contact Information for Further Support

For any safety inquiries or concerns regarding the WieBad Pump Pillow, please refer to the product packaging or visit the official WieBad website for additional information.

Conclusion

By following these safety guidelines and instructions, you can enjoy the benefits of the WieBad Pump Pillow while ensuring your safety and the safety of others. Thank you for your attention to these important details, and happy shooting!
