## Eliminate Stress Points in Your Shooting Position

TAC PAD Ever built a position at the range and found that, with all the strain on your body, you just couldn't hold steady enough? With the WieBad Tac Pad, you can fill the gaps and cracks in your joints and stay in that extended shooting position for the best-possible shot. In particular, the WieBad Tac Pad is designed to fill in the area between your elbow and body or at the back of the knee when shooting from the kneeling position. The bag is also sized right to fill gaps between your limbs and body when shooting from an unsupported position. Measuring 9 x 11 x 4 inches in size and weighing 1 pound, the WieBad Tac Pad is available in MultiCam Cordura exterior.

# Safety Instruction Guide for the WieBad Tac Pad

## Introduction

Thank you for choosing the WieBad Tac Pad. This product is designed to enhance your shooting experience by providing stability and support during extended positions. To ensure safe usage and compliance with EU General Product Safety Regulation (GPSR), please read this safety instruction guide thoroughly.

## General Safety Guidelines

- Always inspect the Tac Pad before use for any signs of damage or wear.
- Ensure that the Tac Pad is used only for its intended purpose as a shooting support device.
- Keep the Tac Pad out of reach of children and vulnerable individuals to prevent accidents.
- Avoid using the Tac Pad in wet or damp conditions to prevent slipping.
- Report any unsafe conditions or incidents involving the Tac Pad to the relevant authorities.

## Specific Safety Precautions for Use

- Do not exceed the recommended weight limit of the Tac Pad to avoid potential damage or instability.
- Ensure that the Tac Pad is securely positioned before relying on it for support.
- When using the Tac Pad in a kneeling position, ensure that your balance is stable to prevent falls.
- Avoid using the Tac Pad as a substitute for proper shooting technique or safety equipment.
- Be aware of your surroundings and ensure that you have a clear shooting area when using the Tac Pad.

## Instructions for Installation and Usage

### 1. Preparation:

- Remove the Tac Pad from its packaging.
- Inspect the Tac Pad for any defects or damage before use.

### 2. Positioning the Tac Pad:

- Identify the area where you will be shooting (e.g., prone, kneeling, or unsupported position).
- Place the Tac Pad in the appropriate location to fill gaps between your limbs and body.

### 3. Using the Tac Pad:

- When shooting from a kneeling position, place the Tac Pad between your elbow and body for support.
- For unsupported positions, use the Tac Pad to stabilize your limbs and maintain a steady aim.
- Adjust your grip and stance as necessary to ensure comfort and stability.

### 4. PostUse Care:

- After use, clean the Tac Pad according to the manufacturer's recommendations.
- Store the Tac Pad in a dry and safe location away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the Tac Pad in accordance with local regulations for textile and plastic waste.
- Do not burn the Tac Pad, as it may release harmful substances.
- If the Tac Pad is damaged beyond use, consider recycling the materials if possible.

## **Contact Information for Further Support**
