## Eliminate Stress Points in Your Shooting Position

TAC PAD Ever built a position at the range and found that, with all the strain on your body, you just couldn't hold steady enough? With the WieBad Tac Pad, you can fill the gaps and cracks in your joints and stay in that extended shooting position for the best-possible shot. In particular, the WieBad Tac Pad is designed to fill in the area between your elbow and body or at the back of the knee when shooting from the kneeling position. The bag is also sized right to fill gaps between your limbs and body when shooting from an unsupported position. Measuring 9 x 11 x 4 inches in size and weighing 1 pound, the WieBad Tac Pad is available in MultiCam Cordura exterior.

## Introduction

Thank you for choosing the WieBad Tac Pad. This product is designed to enhance your shooting experience by providing stability and comfort during use. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

## General Safety Guidelines

- Ensure that the WieBad Tac Pad is used only for its intended purpose.
- Always inspect the Tac Pad before use for any signs of damage or wear.
- Keep the Tac Pad away from fire or extreme heat sources.
- Store the Tac Pad in a dry place when not in use to prevent mold or deterioration.
- Avoid using the Tac Pad in wet conditions as this may affect its performance.

## Specific Safety Precautions for Use

- **Proper Positioning:** When using the Tac Pad, ensure it is placed securely between your body and the surface you are shooting from. This will help maintain stability.
- **Avoid Overexertion:** Do not strain your body beyond its limits while using the Tac Pad. Take breaks if you feel fatigued.
- **Age Restrictions:** This product is not intended for use by children. Ensure that only adults or responsible individuals use the Tac Pad.
- **Supervision:** If younger individuals are present, ensure they are supervised and understand the use of the Tac Pad.

## Instructions for Installation and Usage

1. **Prepare the Tac Pad:** Remove the Tac Pad from its packaging and inspect it for any damages.
2. **Positioning the Tac Pad:**
  - For elbow support: Place the Tac Pad between your elbow and body.
  - For knee support: Position the Tac Pad at the back of your knee when kneeling.
  - For unsupported positions: Use the Tac Pad to fill gaps between your limbs and body.
3. **Using the Tac Pad:**
  - Ensure the Tac Pad is securely positioned before taking your shot.
  - Maintain a stable shooting posture to maximize the effectiveness of the Tac Pad.
4. **PostUse Care:** After use, clean the Tac Pad with a damp cloth if necessary, and allow it to dry completely before storing.

## Disposal Instructions

- Dispose of the Tac Pad responsibly. If it is damaged or no longer usable, follow local regulations for disposal of textiles and synthetic materials.
- Do not dispose of the Tac Pad in regular household waste if it can be recycled. Check with local recycling facilities for proper disposal methods.
