

# DAKA WINDOW POUCHES - MAGPUL DAKA MEDIUM WINDOW POUCH OD GREEN

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Pouches](#)

The Magpul DAKA Pouch. Designed to bring organization to the dusty, dirty, and muddy world we work and play in. Our DAKA pouches are made from polymer-infused textiles that are RF welded on all seams and use a genuine YKK® water resistant zipper. For our Window DAKA Pouches, we've added a translucent window to make organizing your accessories even easier. The construction methods and materials used in the DAKA line mean that these pouches are at home in hard use applications such as storing tools or reloaded ammunition, as well as lighter duty use such as organizing your personal electronics accessories. Although these pouches are not 100% water proof, they will keep your items dry in most wet environments, making them a great choice for most outdoor adventures. Made in the U.S.A. Features Reinforced polymer fabric with anti-slip texture Window for easy organization RF welded construction that creates permanent, impenetrable seals YKK AquaGuard® water repellent zipper 550 paracord with heat shrink tubing for enhanced grip, even with gloves Chemical resistant and non-hygroscopic Paint pen dot matrix debossed into body for identification marking Carabiner attachment points

# DAKA WINDOW POUCHES MAGPUL DAKA MEDIUM WINDOW POUCH OD GREEN Safety Instruction Guide

## Introduction

Thank you for choosing the DAKA Window Pouches by Magpul. Designed to provide organization in various environments, these pouches are made from durable materials to withstand hard use. This safety instruction guide aims to ensure your safe and effective use of the product in accordance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the pouch is used only for its intended purpose, which is to organize and store various accessories.
- Regularly inspect the pouch for any signs of damage or wear. Do not use if damaged.
- Keep the pouch away from extreme heat sources to prevent material degradation.
- Store the pouch in a dry place when not in use to maintain its integrity.
- Be cautious when using the pouch in wet environments; while it is waterresistant, it is not waterproof.

## Specific Safety Precautions for Use

- Avoid overloading the pouch beyond its intended capacity, as this may lead to damage or failure.
- When using the YKK AquaGuard® zipper, ensure it is fully closed to maintain water resistance.
- Be mindful of sharp objects that may puncture the pouch or its contents.
- If using the carabiner attachment, ensure it is securely fastened to prevent accidental detachment.
- Keep the pouch and its contents out of reach of children and vulnerable individuals to prevent accidental injury or misuse.

## Instructions for Installation and Usage

### 1. Opening the Pouch:

- To open the pouch, pull the YKK AquaGuard® zipper tab gently. Avoid yanking or pulling forcefully.

### 2. Organizing Contents:

- Use the translucent window to easily view and organize your accessories. Place smaller items in designated sections to prevent them from shifting.

### 3. Closing the Pouch:

- Ensure all items are properly stored and the zipper is fully closed before transporting. This helps maintain the waterresistant properties of the pouch.

### 4. Using the Carabiner:

- Attach the carabiner to a secure point, ensuring it is locked in place. Check it regularly during use to ensure it remains secure.

### 5. Cleaning Instructions:

- Clean the exterior of the pouch with a damp cloth and mild soap. Avoid harsh chemicals that may

- damage the material.
- Allow the pouch to air dry completely before storing.

## **Disposal Instructions**

- When the pouch reaches the end of its life cycle, dispose of it in accordance with local regulations for textile waste.
- Do not incinerate, as this may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the contact information provided in the product packaging or consult the manufacturer's website.

Thank you for your attention to these safety guidelines. Enjoy using your DAKA Window Pouches!
