## A Stripped AR-15 Lower Receiver With a Number of Enhancements

There are tons of stripped lower receivers on the market, but only one is loaded with the special features found in the American Defense ADM UIC Lower Receiver. This definitely isn't your standard, mil-spec, budget-priced lower, as the ADM team incorporated a number of next-generation features into this design. To start, each American Defense ADM UIC Lower Receiver is machined with radii and chamfer cuts that make this firearm a marvel of modern machining. The receiver features a 20-degree magwell cut that speeds up reloads, and the well also features reinforcing ribs that make it 40 percent stronger than standard, mil-spec lowers with only half an ounce of added weight. Other features found in the American Defense ADM UIC Lower Receiver include an ambidextrous magazine release, bolt catch, bolt release and dimpled takedown and pivot pins. In a final touch, the entire receiver is finished with a Teflon-impregnated finish that reduces friction and aids in protecting your AR from the elements and keeps it running right.

## Attributes

- Name: [AMERICAN DEFENSE MANUFACTURING AR-15 UIC STRIPPED LOWER AMBI RECEIVER 5.56MM](#)
- Manufacturer: [AMERICAN DEFENSE MANUFACTURING](#)
- Product no.: 100035875
- Mfr. No.: AD-UICLS-BLK
- Cartridge: 5.56 mm NATO
- Colour: Black
- Finish: Anodized
- Model: UIC15
- Style: Stripped
- Weapon type: American Defense Mfg
- Delivery weight: 0.454kg
- Shipping height: 89mm
- Shipping width: 178mm
- Shipping length: 254mm
- UPC: 818503016479

## Item details

Made in USA

US export classification: 0A509.b

# Safety Instruction Guide for the AR15 UIC Stripped Lower Receiver

## Introduction

Thank you for purchasing the American Defense Manufacturing AR15 UIC Stripped Lower Receiver. This product is designed with advanced features to enhance your shooting experience. However, safety is paramount. This guide provides essential safety instructions, installation guidelines, and disposal information to ensure safe and effective use of the product.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure that no unauthorized persons are in the vicinity when handling the firearm.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Use only compatible parts and accessories with the AR15 UIC Stripped Lower Receiver.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of the firearm before use.
- Always wear appropriate eye and ear protection when shooting.
- Do not use the firearm under the influence of drugs or alcohol.
- If you experience a malfunction, follow the manufacturer's instructions for addressing it safely.
- Avoid using the firearm in adverse weather conditions that may affect its performance.
- Be cautious of the magazine release, bolt catch, and other ambidextrous features during operation to prevent accidental discharge.

## Instructions for Installation and Usage

### Installation

1. **Prepare Your Workspace:** Ensure you have a clean and welllit area to work in.
2. **Gather Tools:** You will need basic tools such as a punch, hammer, and screwdriver for installation.
3. **Inspect the Receiver:** Check for any defects or damages before installation.
4. **Assemble Lower Parts:**
  - Install the trigger assembly according to the manufacturer's specifications.
  - Attach the ambidextrous magazine release, bolt catch, and bolt release.
  - Ensure that all parts are securely fastened.
5. **Attach to Upper Receiver:** Align the lower receiver with the upper receiver and insert the takedown and pivot pins.
6. **Final Inspection:** Doublecheck all components for proper installation and functionality.

### Usage

- Load the firearm only when you are ready to shoot.
- Always ensure that the safety is engaged until you are prepared to fire.
- Practice proper shooting stance and grip for accuracy and control.
- Clean and maintain the firearm regularly to ensure optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local laws and regulations regarding firearm components.
- If you need to dispose of the lower receiver, ensure that it is rendered inoperable.
- Contact local authorities or recycling centers for guidance on disposing of firearm parts safely.

## Contact Information for Further Support

For further assistance regarding the AR15 UIC Stripped Lower Receiver, please refer to the manufacturer's website or customer support. Ensure that you have the product model and any relevant information ready for a more efficient inquiry.

By following these guidelines, you will help ensure your safety and the safety of others while using the American Defense Manufacturing AR15 UIC Stripped Lower Receiver. Always prioritize safety and responsible firearm ownership.
