An Aluminum Armorer's Block for Your Next AR Build

If you're ready to jump into the world of AR-style rifle building, then it's critical to have the necessary tools that will make your next AR build a breeze. The Crosstac AR-15 Armorer Block Kit is a must-have for anyone who's looking to build more than a single rifle. Trust us, you'll build more than one AR after you're finished with your first. Designed to work with both AR-15 and AR .308 platforms, this Crosstac Aluminum Armorer Block Kit includes features designed to secure both the upper and lower receivers of these popular platform. This design emerged from the frustration of Crosstac's team of engineers, who were tired of dealing with clamshell-style receiver holders. This adjustable block covers all platforms and will hold your receivers more securely than other armorer's blocks on the market. Each Crosstac Armorer Block Kit features nylon setscrews that allow for precision adjustment inside the magazine well. This ensures a perfect fit, as each magazine well will have different profiles due to different construction methods. The block also features machined ledges in the base of the rest, so each block sits level. The block also includes the company's CNC-machined, stainless-steel pin driver.

Attributes

- Name: [AR-15 ARMORER BLOCK ALUMINUM KIT](#)
- Manufacturer: [CROSSTAC](#)
- Product no.: 100036277
- Mfr. No.: 135215
- Color: Black

Safety Instruction Guide for AR15 Armorer Block Kit

Introduction

Thank you for purchasing the AR15 Armorer Block Kit. This product is designed to assist you in building and maintaining ARstyle rifles safely and effectively. Please read this safety instruction guide carefully to ensure proper usage and to minimize any risks associated with the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before using the Armorer Block Kit.
- Keep the Armorer Block Kit out of reach of children and unauthorized users.
- Inspect the Armorer Block Kit for any damage or wear before each use. Do not use if damaged.
- Use the product only for its intended purpose as described in this guide.
- Follow all local laws and regulations regarding firearms and their accessories.
- Be aware of your surroundings while using the Armorer Block Kit to avoid accidents.

Specific Safety Precautions for Use

- **Hazard Awareness:** Be mindful of potential hazards such as sharp edges on the block or tools used in conjunction with it.
- **Proper Handling:** Always handle firearms and their components with care to prevent accidental discharge.
- **Personal Protective Equipment:** Wear appropriate safety gear, such as safety glasses and gloves, when using the Armorer Block Kit.
- **Secure Environment:** Ensure that the work area is clean, welllit, and free from distractions.
- **Assistance:** If you are unfamiliar with firearm assembly or disassembly, seek guidance from a knowledgeable individual.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather all necessary tools and components for your AR build.

2. Setting Up the Armorer Block:

- Place the Armorer Block on a stable work surface.
- Adjust the nylon setscrews to fit the magazine well of your specific AR model for a secure fit.

3. Using the Armorer Block:

- Insert the lower receiver into the block, ensuring it is held firmly in place.
- If working on the upper receiver, follow the same steps to secure it in the designated area of the block.
- Perform any necessary assembly or maintenance tasks while the receiver is securely held in the block.

4. PostUse:

- Once you have completed your work, carefully remove the receivers from the block.
- Clean the Armorer Block Kit as needed and store it in a safe location.

Disposal Instructions

- Dispose of the Armorer Block Kit in accordance with local regulations regarding waste disposal.
- If the product is damaged beyond repair, ensure that it is rendered unusable before disposal.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 Armorer Block Kit, please contact the manufacturer directly. Ensure that you have the product details ready for reference.

By following these guidelines, you can ensure a safe and effective experience while using the AR15 Armorer Block Kit. Thank you for prioritizing safety in your firearmrelated activities.
