

# ROPE HEARING ENHANCER - WALKERS GAME EAR ROPE HEARING ENHANCER

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Plugs](#)

## A Hearing Enhancement Device For Your Range Kit

Designed as a flexible, compact set of earbuds, the Walkers Rope Hearing Enhancer works to protect your hearing on the firing line while also enhancing ambient noise, so you can clearly hear communication and range commands. This ensures a safe, comfortable shooting experience for you and everyone around you, and the Rope Hearing Enhancer also ensures that you can comfortably mount your rifle or shotgun without muffs getting in the way. Each pair of Walkers Rope Hearing Enhancer features a High/Low Compression Mode, Sound Activated Compression and Hi-Gain Omnidirectional microphones that all work in conjunction to provide premium sound reduction and enhancement in a compact package. The integrated lithium battery is completely rechargeable with the included USB charging cable, and three pairs of foam earbud tips are included. The unit provides 29 decibels of sound reduction and comes with an EVA storage case.

# ROPE HEARING ENHANCER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Walkers Rope Hearing Enhancer. This product is designed to protect your hearing while enhancing ambient sounds, making it ideal for shooting sports and other activities where communication is vital. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always follow the manufacturer's instructions when using the Walkers Rope Hearing Enhancer.
- Ensure that the product is used only for its intended purpose.
- Regularly inspect the product for signs of wear or damage. If any parts are damaged, discontinue use immediately.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hearing Protection:** The Walkers Rope Hearing Enhancer provides sound reduction up to 29 decibels. It is essential to use the product correctly to ensure maximum protection.
- **Avoid Loud Noises:** While the product enhances ambient sounds, it is still important to avoid exposure to extremely loud noises that may cause hearing damage.
- **Battery Safety:** Use only the included USB charging cable for recharging. Do not attempt to open or modify the battery.
- **Earbud Fit:** Ensure that the foam earbud tips fit securely in your ears to provide optimal sound reduction and comfort.
- **Environmental Considerations:** Avoid using the product in wet or humid conditions unless specified as waterresistant.

## Instructions for Installation and Usage

### 1. Charging the Device:

- Connect the included USB charging cable to the device and a USB power source.
- Allow the device to charge fully before first use. A full charge typically takes several hours.

### 2. Fitting the Earbuds:

- Select the appropriate size foam earbud tips for your comfort.
- Gently insert the earbud tips into your ears, ensuring a snug fit for optimal sound reduction.

### 3. Operating the Device:

- Turn on the device by pressing the power button.
- Select the desired compression mode (High/Low) based on your environment.
- Adjust the volume as needed to enhance ambient sounds without compromising hearing protection.

### 4. Maintenance:

- Clean the earbud tips regularly with a damp cloth. Do not immerse the device in water.
- Store the device in the provided EVA storage case when not in use to protect it from damage.

## **Disposal Instructions**

- Dispose of the Walkers Rope Hearing Enhancer in accordance with local regulations for electronic waste.
- Do not throw the product in regular household waste.
- Remove the battery before disposal if applicable and dispose of it according to local battery disposal guidelines.

## **Contact Information for Further Support**

For any inquiries regarding the Walkers Rope Hearing Enhancer, please refer to the product packaging for contact information or visit the manufacturer's website for additional resources.

Thank you for prioritizing your safety and the safety of others while using the Walkers Rope Hearing Enhancer. Enjoy your enhanced auditory experience!
