

# RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF - WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS, PINK

[Shooting Accessories](#) > [Ear & Eye Protection](#) > [Ear Muffs](#)

## A Compact, Foldable Set of Hearing Protection Muffs

Users of over-ear hearing-protection muffs have always been plagued by the issues associated with extra bulk over their ears. For shooters, this is especially a problem, since in many cases, it prevents rifle shooters or shotgunners from getting a perfect cheek weld on their gun. The Walkers Razor Slim Electronic Muffs are designed to minimize those issues, thanks to a compact, slim design that can be folded down for easy storage. Each pair of Walkers XCEL Razor Slim Electronic Muffs features Sound Activated Compression, as well as Full Dynamic Range HD Speakers and two Hi-Gain Omnidirectional Microphones that all work in conjunction to provide premium sound reduction and enhancement in a compact package. The earmuffs are powered by two AAA batteries, and the redesigned headband provides enhanced comfort. The unit provides 23 decibels of sound reduction.

## Attributes

- Name: [WALKERS GAME EAR RAZOR SLIM ELECTRONIC MUFFS, PINK](#)
- Manufacturer: [WALKERS GAME EAR](#)
- Product no.: 100036630

# RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF from Walkers Game Ear. This product is designed to provide effective hearing protection while ensuring comfort and convenience. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always ensure that the electronic muffs are in good working condition before use.
- Use the product only for its intended purpose, which is to provide hearing protection during shooting activities.
- Keep the muffs away from children and vulnerable individuals who may not understand the risks associated with improper use.
- Regularly check for any signs of wear or damage to the product, including the headband and ear cushions.
- Be aware of your surroundings and ensure that the muffs do not obstruct your ability to hear important sounds in your environment.

## Specific Safety Precautions for Use

- **Hearing Protection:** The electronic muffs provide a noise reduction rating (NRR) of 23 dB. Ensure they fit snugly over your ears to maximize protection.
- **Battery Safety:** The muffs are powered by two AAA batteries. Use only the recommended battery type and replace them as needed. Dispose of batteries properly according to local regulations.
- **Comfort:** Adjust the headband for a secure and comfortable fit. If you experience discomfort, stop using the muffs immediately.
- **Avoid Moisture:** Keep the muffs dry and avoid exposure to rain or excessive humidity, which may damage the electronic components.
- **Avoid Loud Sounds:** While the muffs enhance certain sounds, they are not a substitute for proper hearing protection in extremely loud environments.

## Instructions for Installation and Usage

1. **Unfolding the Muffs:**
  - Gently pull apart the ear cups until they click into place.
2. **Adjusting the Headband:**
  - Slide the headband to adjust the fit. Ensure it sits comfortably on your head without excessive pressure.
3. **Inserting Batteries:**
  - Open the battery compartment, typically located on the side of the muffs.
  - Insert two AAA batteries, ensuring correct polarity as indicated in the compartment.
  - Close the compartment securely.
4. **Using the Muffs:**
  - Place the muffs over your ears, ensuring a snug fit.
  - Turn on the electronic feature, if applicable, to activate sound enhancement and compression.
5. **Maintenance:**
  - Clean the ear cushions regularly with a damp cloth. Avoid using harsh chemicals that may damage the material.
  - Store the muffs in a dry place when not in use. Fold them for compact storage.

## Disposal Instructions

- Dispose of the muffs according to local regulations. Do not dispose of them in regular household waste.
- For battery disposal, follow local guidelines for recycling or hazardous waste disposal.

## Contact Information for Further Support

For any inquiries or concerns regarding the RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience while using the RAZOR SLIM SHOOTER FOLDING ELECTRONIC MUFF. Always prioritize safety and be aware of your surroundings while using hearing protection.
